

## **Family Medicine and Public Health FMPH 198 Plan**

UCSD GPA Requirement for FMPH 198 → 2.5 overall

*For any and all research coursework, students are expected to work a minimum of 3 hours per week per unit of credit.  
Please indicate the number of hours/units the student will be completing below:*

### **Fall/Winter/Spring/10 Week Summer:**

2 units (6 hours per week/60 total hours for the quarter)  
3 units (9 hours per week/90 total hours for the quarter)  
4 units (12 hours per week/120 total hours for the quarter)

### **5 Week Summer:**

2 units (12 hours per week/60 total hours for 5 weeks)  
3 units (18 hours per week/90 total hours for 5 weeks)  
4 units (24 hours per week/120 total hours for 5 weeks)

## **Questions to Ask your Instructor and/or Project Manager**

**(You will need this information when you are filling out an EASy request to enroll in FMPH 198)**

- **Number of units previously received for this project**
- **Prerequisite course work or knowledge for this project**
- **Nature and frequency of contact (hours per week)**
  - **# of hours per week (this should be the same as the total units you will be earning for the course listed above)**
- **Means of Evaluation (paper, final, etc.)**
- **Proposed plan**
- **Supporting documentation**
  - **Anything you will need to attach to the application for example if the course has a syllabus already created by the instructor**
