Dear Current and Prospective Public Health Majors:

**PLEASE, PLEASE, PLEASE READ THIS ENTIRE EMAIL!!!**

We realize that this is a long email, but it is extremely important. It contains instructions that are critical to registering for Spring 2019 FMPH classes.

Spring 2019 second pass registration begins on Monday, February 25th. Due to high demand for our courses, we have reserved a number of seats in our Spring 2019 classes to help ensure that students graduate on time. This means that if you want to take one or more FMPH courses in Spring 2019, you will need to follow the instructions listed below.

*It is VERY IMPORTANT that you check your VAC and UCSD email regularly. The department will be sending out time-sensitive updates. If you miss these updates, you may end up not getting seats in classes you need.*

**INSTRUCTIONS**

Please check out our [Advising Calendar](#) for up-to-date advising availability. We update this calendar daily so it is important to check the calendar often. If you are unable to come in during walk-in advising hours, please send any questions you have through the VAC.

**NOTE REGARDING ALL FMPH COURSES:**

If you are interested in enrolling in a FMPH course that is full during your first registration, you should waitlist at the very beginning of second registration. The waitlist will be prioritized and an internal waitlist will be kept by the department. All remaining seats will be filled using the internal waitlist, so please make sure to waitlist at the very beginning of second registration and wait for our VAC message before switching your schedule. We will message all waitlisted students in the VAC to let them know if we have seats for them or if we have placed them on our internal waitlist for the course within 2 weeks after second registration has started.
