Dear Current and Prospective Public Health Majors:

**PLEASE, PLEASE, PLEASE READ THIS ENTIRE EMAIL!!!**

We realize that this is a long email, but it is extremely important. It contains instructions that are critical to registering for Spring 2020 FMPH classes.

As you may know, Spring 2020 registration is just around the corner. Due to high demand for our courses, we have reserved a number of seats in our Spring 2020 classes to help ensure that students graduate on time. This means that if you want to take one or more FMPH courses in Spring 2020, you will need to follow the instructions listed below.

It is VERY IMPORTANT that you check your VAC and UCSD email regularly. The department will be sending out time-sensitive updates. If you miss these updates, you may end up not getting seats in classes you need.

**INSTRUCTIONS**
The Spring 2020 schedule of classes will post on Friday, February 7th, 2020. Please check out our Advising Calendar for up-to-date advising availability. We update this calendar daily so it is important to check the calendar often. If you are unable to come in during walk-in advising hours, please send any questions you have through the VAC.

**NOTE REGARDING ALL FMPH COURSES:**
If you are interested in enrolling in a FMPH course that is full during your first registration, you should waitlist at the very beginning of second registration. The waitlist will be prioritized and an internal waitlist will be kept by the department. All remaining seats will be filled using the internal waitlist, so please make sure to waitlist at the very beginning of second registration and wait for our VAC message before switching your schedule. We will message all waitlisted students in the VAC to let them know if we have seats for them or if we have placed them on our internal waitlist for the course within 2 weeks after second registration has started.

**FMPH COURSE DETAILS & INFORMATION**

- Prerequisites: FMPH 40, Department Approval to Enroll. Open to SO, JR, SR standing. Please submit your preauthorization request via the Enrollment Authorization System (EASY) for approval to enroll for spring quarter registration.

The department is excited to offer FMPH 191 special topics class this spring with Dr. Fielding-Miller. FMPH 191 “Qualitative Research for Global Public Health” provides an overview of the role of qualitative research methods in public health, with an emphasis on global research, policy, and practice. The course will focus on qualitative research as it relates to formative program design, community-based participatory approaches, and as a tool for amplifying voices and elucidating both complex social-ecological processes and internal individual experiences. Throughout the term students will work in teams to design, conduct, analyze, and report a full qualitative study on a public health topic of their choosing. This course will offer a foundation for all Public Health Majors and will show the role of research as a tool for social justice in global public health. This class will fill up quickly! One FMPH UDE is required for all Public Health majors and FMPH 191 “Qualitative Research for Global Public Health” is a great opportunity to complete your major requirement in a small class setting.

FMPH 194 (Public Health Capstone II)
This class is only for students currently enrolled in FMPH 193. All FMPH 193 students will need to fill out the FMPH 194 Day/Time Preference Google Form. Please make sure to submit the same preferences as your FMPH 193 partner. Priority preferences will be given to students who stay with the same instructor and same FMPH 193 section. Students will be cleared to enroll in FMPH 194 during 2nd registration. The deadline to fill out this preference form is Monday, February 24th by 11:59pm.

FINAL ITEMS:
Lastly, we recognize that our advising hours will be limited prior to Spring enrollment. However, we will also be available on the VAC to answer questions. Please contact us ASAP with any registration questions you may have prior to Wednesday, February 12th to ensure that your questions are answered in time for first registration.

Have general question regarding enrolling in classes at UC San Diego and the 2 Pass Registration System? You can find information and links for enrolling in classes on TritonLink under Enrolling in Classes. We have provided some quick links below for reference as well.
