

899 Club Diagram (Dissertation Timeline)

This diagram charts the "high-level" process to fulfilling your dissertation requirements, during the academic term you enroll in 899 (SDSU) and defend your doctoral dissertation.

Reminder: Students *must* be enrolled in PH 899 at SDSU the semester they defend, publish, and graduate.

For the JDP, dissertation deadlines are determined by UCSD. [🔗](#)

Public Health Joint Doctoral Program

"General Deadlines Guidance" UCSD

The 11th Friday of each quarter (finals week) is the deadline to submit:

- Final Paperwork for degree completion
- Fully completed forms must be received in the Division of Graduate Education and Postdoctoral Affairs by the deadline date; department approval alone does not constitute meeting a deadline.

The **Summer degree deadline** is the last Friday of summer session II (usually in early September).

Diagram key

- Requirement/Process
- Status/Subcomponent
- Key Tasks before Defense
- Recommended
- Key Tasks after Defense
