

General Differences between the Global Health Major Curriculum and the Public Health Major Curriculum

NOTE: Both the Global Health Program and the Public Health Program offer a robust curriculum to set students up for future success. Neither program is "better" than the other, however while many of the courses can overlap between the two programs, the curriculum structure of each program is very different. Below, our program advisors have tried to generally highlight some differences for review.

<p style="text-align: center;"><u>B.A. in Global Health (GH25) - 68 Units</u></p> <p>Coursework:</p> <ul style="list-style-type: none"> • 1 LD Introduction to Public Health or Global Health course • 1 LD Elective course from the approved list • 1 LD Statistics course from the approved list • 3 UD Core Global Health courses • 1 UD Policy Analysis course from the approved list • 3 LD/UD Biology Science Elective courses from the approved list • 3 UD Medical Social Science Elective from the approved list • 1 UD Medical Humanities Elective from the approved list • 1 UD Global Processes Elective course from the approved list • 1 UD Significant Writing course from the approved list • 1 UD Elective from the approved list <p>Fieldwork/Experience:</p> <ul style="list-style-type: none"> • Global Health Field Experience - 100 hours at a research, service, clinical or study abroad 	<p style="text-align: center;"><u>B.S. in Global Health (GH26) - 96 Units</u></p> <p>Coursework:</p> <ul style="list-style-type: none"> • 1 LD Introduction to Public Health or Global Health course • 1 LD Elective course from the approved list • 3 LD General Biology sequence courses • 4 LD General Chemistry sequence with lab courses • 2 LD Calculus sequence courses • 1 LD Statistics course from the approved list • 3 UD Core Global Health courses • 1 UD Policy Analysis course from the approved list • 3 UD Biology Science Elective • 4 UD Medical Social Science Elective from the approved list • 1 UD Medical Humanities Elective from the approved list <p>Fieldwork/Experience:</p> <ul style="list-style-type: none"> • Global Health Field Experience - 100 hours at a research, service, clinical or study abroad 	<p style="text-align: center;"><u>B.S. in Public Health (PB25) - 84 Units</u></p> <p>Coursework:</p> <ul style="list-style-type: none"> • 1 LD Introduction to Public Health course • 1 LD Public Health Research Methods course • 1 LD Public Health Trending Topics course • 1 LD Public Health Elective course • 3 LD Biology courses from the approved list • 1 LD Statistics course from the approved list • 6 UD Core Public Health courses • 2 UD Public Health Electives from the approved list • 3 Additional UD Public Health Electives from the approved list <p>Fieldwork/Experience:</p> <ul style="list-style-type: none"> • 2 quarter UD Capstone or Honors Practicum sequence
<p style="text-align: center;"><u>BSPH/Biostatistics (PB26) - 105 Units</u></p> <p>Coursework:</p> <ul style="list-style-type: none"> • 1 LD Introduction to Public Health course • 1 LD Public Health Research Methods course • 1 LD Public Health Trending Topics course • 1 LD Public Health Elective course • 3 LD General Biology sequence courses • 1 LD Programming course • 3 LD Calculus for Engineers sequence courses • 1 LD Linear Algebra course • 1 LD Calculus-Based Statistics course • 6 UD Core Public Health courses • 2 UD Public Health Electives from the approved list • 3 UD Concentration Electives from the approved list <p>Fieldwork/Experience:</p> <ul style="list-style-type: none"> • 2 quarter UD Capstone or Honors Practicum sequence 	<p style="text-align: center;"><u>BSPH/Climate & Environmental Sciences (PB27) - 105 Units</u></p> <p>Coursework:</p> <ul style="list-style-type: none"> • 1 LD Introduction to Public Health course • 1 LD Public Health Research Methods course • 1 LD Public Health Trending Topics course • 1 LD Public Health Elective course • 3 LD General Biology sequence courses • 3 LD General Chemistry sequence courses • 2 LD Calculus sequence courses • 1 LD Calculus-Based Statistics course • 6 UD Core Public Health courses • 2 UD Public Health Electives from the approved list • 3 UD Concentration Electives from the approved list <p>Fieldwork/Experience:</p> <ul style="list-style-type: none"> • 2 quarter UD Capstone or Honors Practicum sequence 	<p style="text-align: center;"><u>BSPH/Community Health Sciences (PB28) – 84 Units</u></p> <p>Coursework:</p> <ul style="list-style-type: none"> • 1 LD Introduction to Public Health course • 1 LD Public Health Research Methods course • 1 LD Public Health Trending Topics course • 1 LD Public Health Elective course • 3 LD Biology courses from the approved list • 1 LD Statistics course from the approved list • 6 UD Core Public Health courses • 2 UD Public Health Electives from the approved list • 3 UD Concentration Electives from the approved list <p>Fieldwork/Experience:</p> <ul style="list-style-type: none"> • 2 quarter UD Capstone or Honors Practicum sequence
<p style="text-align: center;"><u>BSPH/Epidemiology (PB29) - 84 Total Units</u></p> <p>Coursework:</p> <ul style="list-style-type: none"> • 1 LD Introduction to Public Health course • 1 LD Public Health Research Methods course • 1 LD Public Health Trending Topics course • 1 LD Public Health Elective course • 3 LD General Biology sequence courses • 1 LD Statistics course from the approved list • 6 UD Core Public Health courses • 2 UD Public Health Electives from the approved list • 3 UD Concentration Electives from the approved list <p>Fieldwork/Experience:</p> <ul style="list-style-type: none"> • 2 quarter UD Capstone or Honors Practicum sequence 	<p style="text-align: center;"><u>BSPH/Health Policy & Management Sciences (PB30) - 84 Units</u></p> <p>Coursework:</p> <ul style="list-style-type: none"> • 1 LD Introduction to Public Health course • 1 LD Public Health Research Methods course • 1 LD Public Health Trending Topics course • 1 LD Public Health Elective course • 3 LD Biology courses from the approved list • 1 LD Statistics course from the approved list • 6 UD Core Public Health courses • 2 UD Public Health Electives from the approved list • 3 UD Concentration Electives from the approved list <p>Fieldwork/Experience:</p> <ul style="list-style-type: none"> • 2 quarter UD Capstone or Honors Practicum sequence 	<p style="text-align: center;"><u>BSPH/Medicine Sciences (PB31) - 120 Total Units</u></p> <p>Coursework:</p> <ul style="list-style-type: none"> • 1 LD Introduction to Public Health course • 1 LD Public Health Research Methods course • 1 LD Public Health Trending Topics course • 1 LD Public Health Elective course • 3 LD General Biology sequence courses • 4 LD General Chemistry sequence with lab courses • 3 LD Natural Science courses from the approved list • 2 LD Calculus sequence courses • 1 LD Statistics course from the approved list • 6 UD Core Public Health courses • 2 UD Public Health Electives from the approved list • 3 UD Concentration Electives from the approved list <p>Fieldwork/Experience:</p> <ul style="list-style-type: none"> • 2 quarter UD Capstone or Honors Practicum sequence
