

PUBLIC HEALTH GRADUATE SCHOOL PANEL

November 16, 2022

MEET THE PANELISTS

Alec Calac

*MD/PhD, UC San Diego School of Medicine and Joint Doctoral Program,
UC San Diego Herbert Wertheim School of Public Health / San Diego State University*

Alec Calac (Pauma Band of Luiseño Indians) is an MD/PhD Student at UC San Diego School of Medicine and Herbert Wertheim School of Public Health and Human Longevity Science. He graduated from The University of Arizona in 2016 with a Bachelor's in Neuroscience and Cognitive Science and Molecular and Cellular Biology. He works collaboratively with the Global Health Policy and Data Institute on research projects integrating social media, health technology, health policy, and Tribal public health. He is also interested in medical education and workforce development. He currently serves as the National President of the Association of Native American Medical Students (ANAMS). In 2022, he was named a 40 Under 40 Leader in Minority Health by the National Minority Quality Forum and was also chosen to participate in the White House Leaders in Health Equity Roundtable Series.

Marah Hasan

MHA, Columbia University Mailman School of Public Health

Marah graduated from UCSD in 2021 with a Bachelor of Science in Public Health and a minor in Business. She worked as a COVID-19 contact tracer with the Los Angeles County Department of Public Health during her gap year while also applying to graduate schools. She is now in her first year at Columbia's Mailman School of Public Health pursuing her Master's in Health Administration degree. She is currently interested in hospital administration, specifically operations.
