IMPORTANT: Enrollment in FMPH Courses for Fall 2023

Dear Current and Prospective Public Health Majors:

PLEASE, PLEASE, PLEASE READ THIS ENTIRE EMAIL!!

We realize that this is a long email, but it is extremely important. It contains instructions that are critical to registering for Fall 2023 FMPH classes.

As you may know, Fall 2023 registration is just around the corner. Due to high demand for our courses, we have reserved a number of seats in our Fall 2023 classes to help ensure that students graduate on time. This means that if you want to take one or more FMPH courses in Fall 2023, you will need to follow the instructions listed below.

It is VERY IMPORTANT that you check your VAC and UCSD email regularly. The department will be sending out time-sensitive updates. If you miss these updates, you may end up not getting seats in classes you need.

INSTRUCTIONS
The fall schedule of classes posts on Tuesday, May 23rd, and registration begins on Friday, May 26th. Please send any questions you have through the VAC. Please check out our Advising Calendar for up-to-date advising availability. Only drop-in advising and group advising is available in during registration so that the advisors are available to all public health students who have scheduling questions. If you are unable to come in during drop-in advising hours or group advising hours, please send any questions you have through the VAC. Queries received via phone or email will not receive a response.

NOTE REGARDING ALL FMPH COURSES:
If you are interested in enrolling in a FMPH course that is full during your first pass registration, you should waitlist at the very beginning of second pass registration (students can’t waitlist for courses in first pass). The waitlist will be prioritized, and an internal waitlist will be kept by the department. All remaining seats will be filled using the internal waitlist, so please make sure to waitlist at the very beginning of second pass registration and wait for our VAC message before switching your schedule. We will message all waitlisted students in the VAC to let them know if we have seats for them or if we have placed them on our internal waitlist for the course within 2 weeks after second pass registration has started. All students who were pre-authorized to enroll in a FMPH course MUST enroll in first pass registration for priority enrollment.

IN-PERSON VERSUS REMOTE FMPH INSTRUCTION:
All FMPH courses will be in-person for Fall 2023, we will not be offering any remote or asynchronous instruction options. Courses that offer an in-person option will indicate a campus classroom. All remote courses will list RCLAS indicating the course will be taught remotely.
