

FA25 Course Recommendations for New Transfer Students

The following two courses MUST be completed by the end of FA25 in order to graduate on time.

- **PH 40: Introduction to Public Health** (there is no equivalent course at another institution)
- **Statistics:** COGS 14A, PSYC 60, HDS 60, or MATH 11*, if not completed at prior institution**
 - *MATH 11 is required for Biostatistics (PB26) and Climate & Environmental Sciences (PB27) concentrations and requires completion of MATH 10A/B or 20A/B
 - **If prior institution is not a California Community College with listed equivalents on assist.org, a student MUST petition their Statistics course THIS SUMMER with Psychology or Math for equivalency; approval is not guaranteed.

Additional recommended options to complete requirements:

- **College GEs** (discuss specific coursework needed with your college):
 - Revelle - Calculus, Chemistry, or Physics
 - Muir - MCWP 125
 - TMC - UD Disciplinary Breadth
 - Warren - WCWP 100, UD Non-Contiguous
 - ERC - MMW 121
 - Sixth - CAT 125
 - Seventh - SYN 100
