

IMPORTANT: Enrollment in FMPH Courses for Spring 2024

Dear Current and Prospective Public Health Majors:

PLEASE, PLEASE, PLEASE READ THIS ENTIRE EMAIL!!!

We realize that this is a long email, but it is extremely important. It contains instructions that are critical to registering for Spring 2024 FMPH classes.

As you may know, Spring 2024 registration is just around the corner. The Spring 2024 Schedule of Classes will post on **February 9th**. Due to high demand for our courses, **you will need to follow the instructions listed below**.

*It is **VERY IMPORTANT** that you check your [VAC](#) and UCSD email regularly. The department will be sending out time-sensitive updates. If you miss these updates, you may end up not getting seats in classes you need.*

INSTRUCTIONS

Please check out our [Advising Calendar](#) for up-to-date advising availability. If you are unable to come in during zoom drop-in advising hours, please send any questions you have through the [VAC](#). **Queries received via phone or email will not receive a response.**

NOTE REGARDING ALL FMPH COURSES:

If you are interested in enrolling in a FMPH course that is full during your first registration, you should waitlist at the very beginning of second registration. The campus waitlist will be prioritized, and the department will keep an internal waitlist. All remaining seats will be filled using the internal waitlist, so please make sure to waitlist at the very beginning of second registration and wait for our [VAC](#) message before switching your schedule. We will message all waitlisted students to let them know if we have seats for them or if we have placed them on our **internal waitlist** for the course within **2 weeks after second registration** has started. All students who were authorized to enroll in a FMPH course MUST enroll in first registration for priority enrollment.

REMINDER REGARDING FMPH 193/194 CAPSTONE PREREQUISITES:

Completion of FMPH 40, FMPH 101, FMPH 102, FMPH 110, and FMPH 120 is required prior to enrollment in FMPH 193. The BSPH Program is not able to make any exceptions and allow a student to complete any of the above prerequisite courses concurrently with FMPH 193.

- One section of FMPH 193/194 will be offered in FA24/WI25
- All remaining sections of FMPH 193/194 will be offered in WI25/SP25

IN-PERSON VERSUS REMOTE FMPH INSTRUCTION:

All FMPH courses will be in-person for Spring 2024, we will not be offering any remote or asynchronous instruction options. Courses that offer an in-person option will indicate a campus classroom. All remote courses will list **RCLAS** indicating the course will be taught remotely.
