

IMPORTANT: Enrollment in FMPH Courses for Winter 2024

Dear Current and Prospective Public Health Majors:

PLEASE, PLEASE, PLEASE READ THIS ENTIRE EMAIL!!!

We realize that this is a long email, but it is extremely important. It contains instructions that are critical to registering for Winter 2024 FMPH classes.

As you may know, Winter 2024 pass is just around the corner. The Winter 2024 Schedule of Classes will post on **November 8th**. Due to high demand for our courses, **you will need to follow the instructions listed below**.

*It is **VERY IMPORTANT** that you check your [VAC](#) and UCSD email regularly. The department will be sending out time-sensitive updates. If you miss these updates, you may end up not getting seats in classes you need.*

INSTRUCTIONS

Please check out our [Advising Calendar](#) for up-to-date advising availability. If you are unable to come in during zoom drop-in advising hours, please send any questions you have through the [VAC](#). **Queries received via phone or email will not receive a response.**

NOTE REGARDING USP 143:

Our department has no control over pass for USP 143. If you plan to graduate in 2024 and have not yet taken USP 143, you **MUST register for USP 143 during your first pass**. If you have any problems enrolling in first pass, please contact the **USP Department ASAP** through the [VAC](#). The USP Department does not respond to requests via phone or email.

NOTE REGARDING ALL FMPH COURSES:

If you are interested in enrolling in a FMPH course that is full during your first pass, you should waitlist at the very beginning of second pass. The campus waitlist will be prioritized, and the department will keep an internal waitlist. All remaining seats will be filled using the internal waitlist, so please make sure to waitlist at the very beginning of second pass and wait for our [VAC](#) message before switching your schedule. We will message all waitlisted students to let them know if we have seats for them or if we have placed them on our **internal waitlist** for the course within **2 weeks after second pass** has started. **All students who were authorized to enroll in a FMPH course MUST enroll in first pass for priority enrollment unless clearance clearly states you can enroll in second pass (which is rare).**

IN-PERSON VERSUS REMOTE FMPH INSTRUCTION:

All FMPH courses will be in-person for Winter 2024, we will not be offering any remote or asynchronous instruction options. Courses that offer an in-person option will indicate a campus classroom. All remote courses will list **RCLAS** indicating the course will be taught remotely.
