

CURRICULUM VITAE

Heather L. Corliss M.P.H., Ph.D.

Office Address: San Diego State University
Graduate School of Public Health &
Institute for Behavioral and Community Health
9245 Sky Park Court, Ste.100
San Diego, CA 92123

Work Phone: (619) 594-3470

Work Email: hcorliss@mail.sdsu.edu

Work Fax: (619) 594-1462

Education

Fellow, Judge Baker Clinical Research Training Program, *10/2008-6/2010*
Department of Psychiatry, Harvard Medical School, Boston, MA

Postdoctoral Fellow, Division of Adolescent Medicine (S. Bryn Austin, PI), *10/2005-10/2007*
Boston Children's Hospital/Harvard Medical School, Boston, MA

Postdoctoral Scholar, Department of Epidemiology (Susan D. Cochran, PI), *1/2005-10/2005*
University of California, Los Angeles

Ph.D., Epidemiology (Susan D. Cochran, Advisor), *12/2004*
University of California, Los Angeles

M.P.H., Community Health Sciences, *6/1999*
University of California, Los Angeles

B.A., Botany/Environmental Studies, *1992*
University of Wisconsin, Madison

Nepal Study Abroad Program, Independent study in Ethnobotany, *1990*
University of Wisconsin, Madison, College Year in Nepal

Professional Positions

Academic Positions

Professor with tenure, *2015-Present*
Graduate School of Public Health, Division of Health Promotion and Behavioral Science
San Diego State University, San Diego, CA

Associate Professor, *2013-2015*
Graduate School of Public Health, Division of Health Promotion and Behavioral Science
San Diego State University, CA

Lecturer, *2013-Present*

Department of Pediatrics, Harvard Medical School, Boston, MA

Assistant Professor, *2011-2013*

Department of Pediatrics, Harvard Medical School, Boston, MA

Instructor, *2006-2011*

Department of Pediatrics, Harvard Medical School, Boston, MA

Graduate Student Researcher, *2000-2004*

Department of Epidemiology, University of California, Los Angeles

Teaching Assistant, *January, 2000-June, 2000*

Department of Statistics, University of California, Los Angeles

Affiliated Institution Positions

Investigator, *2015-Present*

Institute for Behavioral and Community Health, San Diego State University Research Foundation

Co-Director, *2015-Present*

Center for Research on Sexuality and Sexual Health, San Diego State University Research Foundation

Associate Epidemiologist, *2011-Present*

Channing Division of Network Medicine, Brigham and Women's Hospital, Boston, MA

Research Scientist, *2007-Present*

Division of Adolescent Medicine, Boston Children's Hospital, Boston, MA

Postdoctoral Fellow, *2005-2007*

Channing Laboratory, Brigham and Women's Hospital, Boston, MA

Postdoctoral Fellow, *2005-2007*

Division of Adolescent Medicine, Boston Children's Hospital, Boston, MA

Other Professional Positions

Mentor in Quantitative Research, *2007-2013*

Boston Children's Hospital, Boston, MA

Child Care Worker, *1999-2000*

Gay and Lesbian Adolescent Social Services, Los Angeles, CA

Health Educator, *1996-1997*

Women's Needs Center, San Francisco, CA

Research Associate, *1995-1997*

Women's Resource Center, University of California, San Francisco

Research Associate, *1993-1995*

Cancer Research Center, University of California, San Francisco

Honors

- Excellence in Teaching Award, **2009**
Division of Adolescent Medicine, Boston Children's Hospital
- Lambda Alumni Scholarship, **2002**
University of California, Los Angeles
- School of Public Health Scholarship, **1997**
University of California, Los Angeles
- Hildale Scholarship, **1991**
University of Wisconsin, Madison

Teaching and Mentoring Activities

Courses Taught

- 2016** Seminar in Thesis Production for Advanced Masters Students
Graduate School of Public Health, San Diego State University
- 2015-2016** Seminar in Grant Writing for Doctoral and Advanced Masters Students
Graduate School of Public Health, San Diego State University
- 2014** Seminar in Sexuality, Gender and Public Health for Graduate Students
Graduate School of Public Health, San Diego State University
- 2008-2013** Advanced Topics in Women, Gender and Health for Graduate Students
Harvard T.H. Chan School of Public Health, Boston, MA
- 2007-2013** Epidemiology and Biostatistics for Adolescent Medicine Fellows
Boston Children's Hospital/Harvard Medical School, Boston, MA

Invited Professional Presentations

- 2015** Public Health Research on Substance Use in LGBT Populations
San Diego State University LGBTQ Consortium, San Diego, CA
- 2015** Epidemiology of Transgender Health
Bringing Justice to HIV Care Conference, Center for AIDS Research, University of California San Diego, San Diego, CA
- 2013** Researching Sexual-Orientation Disparities in Health Across the Lifespan
Institute for Behavioral and Community Health, San Diego State University
- 2010** Sexual Orientation and Substance Use and Abuse in Youth / Invited Speaker
Health Canada Office of Drugs & Alcohol Research & Surveillance, Ottawa, Canada

- 2009 Sexual Orientation and Substance Use in Youth / Lunchtime Seminar Series and Colloquium of the Training Program in Psychiatric Epidemiology and Biostatistics
Department of Epidemiology, Harvard T.H. Chan School of Public Health, Boston, MA
- 2008 Expanding the Range of Sexual Orientation: Demography and Health Risks of Youth Who Identify as Mostly Heterosexual / Invited Speaker
Society for Research on Adolescence, Chicago, IL
- 2008 Victimization of Sexual Minority Youth/ Seminar Series
Injury Control Research Center, Harvard School of Public Health, Boston, MA
- 2007 The Development of Substance Involvement in Sexual Minority Youth / Research Seminar
Channing Laboratory, Brigham and Women's Hospital, Boston, MA
- 2006 Prevalence and Correlates of Routine Cervical Cancer Screening Among Lesbian and Bisexual Women / Invited Lecture
Gay and Lesbian Medical Association, San Francisco, CA
- 2006 Coming out of the Public Health Closet: Conceptual and Methodological Advances in Sexual Orientation Research / Lunchtime Brown Bag Seminar
Harvard School of Public Health, Boston, MA
- 2006 Longitudinal Patterns of Alcohol Use among Adolescents in the Growing Up Today Study/ Research Seminar
Channing Laboratory, Brigham and Women's Hospital, Boston, MA
- 2004 Introduction to Gay, Lesbian and Bisexual Health / Invited Lecture
American Medical Women's Association, Los Angeles, CA
- 2001 Parental Maltreatment during Childhood among Lesbian, Bisexual and Heterosexual Women / Invited Speaker
American Psychological Association, San Francisco, CA

Guest Lectures in Courses

- 2017 Measurement of Sexual Orientation and Gender Identity in Research: Variability and Implications for Understanding Health Disparities. *Behavioral Measurement Course for doctoral students, San Diego State University, Division of Health Promotion and Behavioral Science, San Diego, CA*
- 2017 Health Disparities in LGBT Populations: Implications for Intervening
Psychosocial Aspects of Rehabilitation Course for Doctor of Physical Therapy Students, San Diego State University, San Diego, CA

- 2016** Developing a Career in Health Disparities Research. *Professional Development Seminar for doctoral students, San Diego State University, Division of Epidemiology, San Diego, CA*
- 2016** Measurement of Sexual Orientation and Gender Identity in Research: Variability and Implications for Understanding Health Disparities. *Behavioral Measurement Course for doctoral students, San Diego State University, Division of Health Promotion and Behavioral Science, San Diego, CA*
- 2014-2016** Narrowing Your Research Idea. *Doctoral Seminar, San Diego State University, Division of Health Promotion and Behavioral Science, San Diego, CA*
- 2013** Measurement of Sexual Orientation in Research: Variability and Implications for Understanding Health Disparities. *PhD Measurement Course, San Diego State University, Division of Health Promotion and Behavioral Science, San Diego, CA*
- 2013** Broader Culture and Marginalized Groups: GLBT Populations & the Impact of Stigma on Health. *Undergraduate Public Health Course, University of California, San Diego*
- 2013** Adolescent Substance Use and Substance Disorders. *Epidemiology of Disorders and Diseases of Childhood and Young Adulthood Course, Harvard School of Public Health*
- 2012** Sexual-Orientation Disparities in Substance Use and Substance Disorders. *Substance Abuse and Public Health Course, Harvard School of Public Health*
- 2012** Burden of Homelessness among Sexual-Minority Adolescents. *Undergraduate Anthropology Course, University of Massachusetts Boston*
- 2012** Studying Sexual-Orientation Disparities in Youth Substance Use and Abuse. *Summer Institute in LGBT Population Health, Center for Population Research in LGBT Health, Fenway Institute*
- 2011** Studying Sexual-Orientation Disparities in Youth Substance Use and Abuse. *Summer Institute in LGBT Population Health, Center for Population Research in LGBT Health, Fenway Institute*
- 2010** Studying Sexual-Orientation Disparities in Youth Substance Use and Abuse. *Summer Institute in LGBT Population Health, Center for Population Research in LGBT Health, Fenway Institute*
- 2007** Sexual Orientation and Gender in Health. *Advanced Topics in Women, Gender and Health, Harvard School of Public Health*
- 2006** Sexual Orientation and Gender in Health. *Advanced Topics in Women, Gender and Health, Harvard School of Public Health*

- 2006 Lesbian and Bisexual Women's Health. *Women's Health Undergraduate Course, Tufts University, Boston, MA*
- 2004 Health Issues of Lesbian, Gay and Bisexual Individuals. *Clinical Medicine Course, University of Southern California Keck School of Medicine, Los Angeles, CA*
- 2002 Introduction to Sexual Orientation and Health. *Clinical Medicine Course, University of Southern California Keck School of Medicine, Los Angeles, CA*

Invited Workshops and Trainings

- 2017 Caring for LGBT Adolescents. *Rady Children's Hospital, Psychiatric Inpatient Team, San Diego, CA*
- 2015 Integrating Case-based Teaching into Public Health Curricula. *San Diego State University, San Diego, CA*
- 2015 Health Disparities in LGBT Populations: Implications for Intervening *Health Equity and Social Determinants of Health Training, San Diego, CA*
- 2010 The Impact of Policies and Programs to Reduce Homophobia and Insure a LGBTQ-Friendly School Climate in Canada: What Do We Know? What Research Needs To Be Done? / Invited Discussant and Participant. *Stigma and Resilience Among Vulnerable Youth Consortium, University of British Columbia, Vancouver, Canada*
- 2009 LGBT Youth Summit / Invited Participant
Center for Research on Health and Sexual Orientation, University of Pittsburgh, PA
- 2006 Pieces of the Puzzle: Insights on Sexual Orientation Measurement from the Nurses' Health Study II and the Growing Up Today Study / Invited Speaker
Sexual Minority Research Assessment Team Working Group (Ford Foundation)

Formally Supervised Students and Trainees

Postdoctoral Fellows (Current positions noted.)

- 2017-current Jennifer Felner, PhD, T32 Postdoctoral Fellow, UCSD T32 Training Program in Substance Use, HIV and Related Infections. Primary mentor.
- 2015-2017 Nhan Truong, PhD, Adjunct Assistant Professor, Division of Health Promotion and Behavioral Science, San Diego State University Graduate School of Public Health. Primary mentor of Dr. Truong, who was supported by NIH grant R01DA033974 (Corliss, PI) "Substance Disorders, Substance Use Treatment, and Sexual Orientation in Youth."
- 2014-2016 Nicole VanKim, PhD, Assistant Professor, Epidemiology, University of Massachusetts, Amherst. Primary mentor of Dr. VanKim, who was supported by grant R01DK099360 (Corliss, PI), "Type 2 Diabetes and Sexual Orientation Disparities in Women." Mentor for

K01 “Physiologic Stress and Sexual Orientation Disparities in Risk for Type 2 Diabetes among Women” that received an Impact Score of 29 on the first submission.

2014-2015 Aleksandar Kecojevic, DrPH, Assistant Professor of Public Health, William Paterson University of New Jersey. Primary mentor of Dr. Kecojevic, who was supported by NIH grant R01DA033974 (Corliss, PI) “Substance Disorders, Substance Use Treatment, and Sexual Orientation in Youth.”

Doctoral Students (Current positions noted.)

2016-Present Nathan Alamillo, Doctoral Student, Joint Doctoral Program in Health Behavior, San Diego State University & University of California, San Diego. Mentoring Mr. Alamillo in developing and carrying out an NIH diversity supplement focused on studying the influence of HIV risk environments on HIV risk behaviors and prevalence among sexual minority and non-sexual minority men who inject drugs living along the US and Mexico border.

2014-2016 Jongho Heo, Doctoral Student, Joint Doctoral Program in Health Promotion & Behavioral Science, San Diego State University & University of California, San Diego. Served as a dissertation committee member for Mr. Heo’s dissertation, “Income Status at Birth and Population Health.”

2013-2017 Robert Coulter, MPH, PhD, Postdoctoral Scholar, University of Pittsburgh
Co-sponsor for a F31 training award on substance use in sexual minority youth. Primary mentor on 2 papers on alcohol use trajectories in sexual minority young adults.

Master’s Students

Thesis Committee Chair

2016-current Meghan Murphy, “Distance Traveled and Emergency Food Services in San Diego County.”

2016-2017 Shadia Mansour, “Evaluation of the Effectiveness of an Employee-Based Health Coaching Program.”

2015-current Tenaya Siva, “The Role of Adverse Childhood Experiences in the Relationship between Sexual Orientation and Substance Use Disorders.”

2015-2016 Billie Dawn Greenblatt, “The Role of Gender and Community Collaboration in the Efficacy of Adolescent Sexual and Intimate Partner Violence Primary Prevention Programs.”

2014-2016 Nicole Jaramillo, “Associations Between Sex Education and Contraceptive Use Among Heterosexually-active, Adolescent Males in the United States.” Manuscript published in the Journal of Adolescent Health.

2014-2015 Cheryl Ann Valdez, “Associations Between State Support and Cigarette Smoking in Non-Heterosexual and Heterosexual Young Adults.”

2014-2015 Linda Salgin, “Evaluating the Receptiveness of the Harvest of the Month in the Classroom Program among Key Stakeholders.”

2014-2015 Erika Cabato, “Racial/Ethnic and Age Disparities in Chlamydia Reinfection in a Large Clinic Population in San Diego County.”

2013-2014 Tiffany Lagare, “Cultural Influences on African American Women’s Disclosure of Sexual Coercion by their Intimate Partners.”

Thesis Committee Member

2016-current Gladys Munoz, “Predictors of HPV Knowledge Among Latinas: The Role of Acculturation.” Primary research methods and statistical analysis mentor.

2016-2017 Russell Argenal, “Associations of Sexual Orientation and Gender Identity with Body Image and Eating Disorder Behaviors among College Students.”

2016 Sharon Hughes, “Sources and Sentiments of E-cigarettes Among Twitter Users.”

2014-2015 Janelle Isaia, “Trauma and Missed HIV Medical Care Appointments Among Women Living with HIV.” Primary research methods and statistical analysis mentor.

2014-2015 Bailey Madnick, “Using the Transtheoretical Model to Evaluate the Effectiveness of Peer Health Education and Sexual Health.”

2014 Rachel Conklin, “Disparities in Hormonal Contraceptive Use Among Latina, African American, and White Women.”

2014 Christina Nguyen, “Caregiver Support and its Influence on Children’s Physical Activity Levels.”

Undergraduate Students

2016-2017 Sofia Beltran, UCSD Public Health. As a McNair Scholar, Ms. Beltran research project used qualitative data from Project RESPEQT (R01HD078470) to understand LGBTQ ethnic and racial minority adolescents’ experiences navigating community resources and supports.

2014-2015 Hilda Huambachano, SDSU Public Health/Biology. As a mentor for the SDSU Training and Mentoring Program (R25MD006853, Elder, PI), I was the primary mentor on Ms. Huambachano research project examining differences in sleep quality and rotating night shift work in lesbian, bisexual, and heterosexual women which she presented at the SDSU Student Research Symposium.

Professional Growth

Professional Societies

2010-Present Society for Research on Nicotine and Tobacco

2007-Present Society for Research in Child Development

2006-2008 Society for Adolescent Health and Medicine

2006-Present Society for Research on Adolescence

2005-Present Delta Omega National Honor Society

1998-Present APHA LGBT Caucus, Student Chair (1999-2000)

1998-Present American Public Health Association

Editorial Activities

2014-Present American Journal of Orthopsychiatry, Editorial Board Member

Ad Hoc Reviewer

Child Abuse and Neglect

American Journal of Public Health

Journal of Public Health Practice and Management

Archives of Pediatrics and Adolescent Medicine

Funded Research Projects

Current

2017-2022 Eating Disorders Prevention Intervention for Gay and Bisexual Men

N.I.H., R01HD091406 (Blashill, PI)

Co-Investigator

Randomized controlled trial to test the efficacy of the PRIDE Body Project compared to a time- and attention-matched media advocacy condition to reduce and prevent eating disorders symptoms and onset in young adult men who are gay or bisexual.

2016-2017 Exploring Identities and HIV Sexual Risk Behaviors Among African American Men Who Have Sex with Men in Los Angeles, CA

San Diego State University Grant Program

P.I. (\$10,000)

Qualitative study to understand how black sexual minority men living in Los Angeles construct their identities and how these identities are associated with sexual risk behaviors.

2014-2018 IBSS: Spatiotemporal Modeling of Human Dynamics Across Social Media & Networks

N.S.F., 1416509 (Tsou, PI)

Co-Investigator

Multidisciplinary research project to study spatiotemporal diffusion patterns of human messages, activities, and communications by combining tools from graphical information systems, network analysis, machine learning, and behavioral science to understand how social messages are transmitted and relate to real world behaviors.

2014-2018 Multilevel Protective Factors in the Lives of LGB Youth in North America

N.I.H., R01HD0784701 (Eisenberg, PI)

Co-Investigator (PI, Massachusetts site and SDSU subcontract)

Project RESPEQT is a mixed methods study to identify sources of support and protective factors by linking environmental contextual factors gathered through qualitative and quantitative research approaches with individual level quantitative survey data from sexual minority high school students in Massachusetts, Minnesota, and British Columbia.

2014-2018 Type 2 Diabetes and Sexual Orientation Disparities in Women

N.I.H., R01DK099360

P.I. (\$1,499,722)

Epidemiologic study of sexual orientation disparities in type 2 diabetes and related risk factors in women participating in the Nurses' Health Study II cohort.

2013-2018 Substance Disorders, Substance Use Treatment, and Sexual Orientation in Youth

N.I.H., R01DA033974

P.I. (\$3,895,250)

The goals of this mixed methods study are to advance understanding of: 1) the extent to which substance disorders disproportionately impact sexual-minority youth, 2) causal mechanisms contributing to sexual-orientation-based disparities, 3) specific barriers sexual-minority youth face receiving needed treatment, and 4) effective treatment strategies in this population.

Past

2011-2016 Sexual Orientation and Obesity: Test of a Gendered Biopsychosocial Model

N.I.H., R01HD066963 (Austin, PI)

Co-Investigator

Epidemiologic study to test a gendered biopsychosocial model to explain sexual orientation disparities in obesity using prospective, repeated measures survey data and also biological data from three national youth cohorts.

2014-2015 Reducing Stigma, Promoting Resilience: Population Health Interventions for LGBTQ Youth

Canadian Institutes of Public Health, MOP-119472 (Saewyc, PI)

Collaboration with the University of British Columbia to examine lesbian, gay, and bisexual youth's health disparities and strategies for intervening.

2011-2016 Mentoring Diverse Students in Health Disparities Research

N.I.H., R25MD006853 (Elder, PI)

Co-Investigator

A 5-year IBACH Training and Mentoring Program that enrolled 40 undergraduate and graduate students underrepresented in research to pursue higher level academic or career opportunities that contribute to reducing health disparities.

2011-2015 Hispanic Community Children's Health: Study of Latino Youth (SOL-Youth)

N.I.H., R01HL102130 (Ayala, PI)

Co-Investigator

A cross-sectional observational epidemiologic study of the correlates of obesity and cardiometabolic risk in 1,600 girls and boys ages 8-14 years old living in the homes of HCHS/SOL participants.

2009-2014 Causes and Impact of Minority Stress on Health and Development in Youth

N.I.H., R01HD057368 (Co-PIs, S. Bryn Austin and Margaret Rosario)

Co-Investigator

The goal of this epidemiologic study was to examine the effects of violence and discrimination on sexual-orientation disparities in young adult adjustment in the Growing Up Today Study.

2007-2013 Adolescent Substance Use and the Transition to Adulthood in Sexual Minority Youth.

N.I.H., K01DA023610

P.I. (\$691,186)

The goal of this work was to compare longitudinal substance use trajectories in heterosexual and sexual minority adolescents and examine individual-level, family-level, and peer/community-level factors contributing to differences.

2007-2008 The Development of Substance Involvement in Sexual Minority Youth

Norman E. Zinberg Fellowship in Addiction Psychiatry Research, Harvard Medical School

P.I. (\$75,000)

The goal of this work was to examine substance development across sexual orientation in a large longitudinal study of adolescents.

2007 “Mostly Heterosexual” Sexual Orientation and Disparities in Sexual Risk: Do Differences in Family Experiences, Social Support, and Community Resources Explain the Link?

Aerosmith Endowment Fund, Boston Children’s Hospital

P.I. (\$9,541)

The goal of this work was to examine familial and community contextual mechanisms associated with sexual-orientation disparities in sexual risk behaviors in an ethnically diverse, community-based sample of young adult females.

2006 “Mostly Heterosexual” Sexual Orientation and Disparities in Sexual Violence Victimization and Sexual Risk

Aerosmith Endowment Fund, Boston Children’s Hospital (PI, S. Bryn Austin)

Co-Investigator

The goal of this work was to examine sexual-orientation disparities in history of sexual violence victimization and sexual risk behavior in an ethnically diverse, community-based sample of young adult females.

2005-2007 Social Support and Its Relationship to Health Among Lesbian and Bisexual Women.

Lesbian Health Fund

P.I. (\$9,000)

The goal of this work was to examine the role of social support in contributing to disparities in cancer-related behavioral factors (e.g., screening, substance use) among lesbian and bisexual women.

2004-2008 Sexual Orientation and Health Disparities in Adolescence

N.I.H., 5R01HD045763 (PI, S. Bryn Austin)

Postdoctoral Fellow

The goal of this work was to study the distribution and determinants of sexual-orientation disparities in health in the Growing Up Today Study, a longitudinal cohort of over 16,000 adolescents.

1998-1999 Transgender Youth Needs Assessment

UCLA Community Health Promotion Grant

P.I. (\$8,300)

The goal of this work was to conduct a needs assessment of the transgender youth community in Los Angeles to document this population’s health-related experiences, access to health care, and health and social services utilization and to identify gaps in needed services.
