

CURRICULUM VITAE
(08/2017)

Susan Maria Kiene

San Diego State University
Graduate School of Public Health
5500 Campanile Drive
San Diego, CA 92182

EDUCATION

- | | | |
|-----------|-----|--------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| 2008-2012 | MPH | Harvard University School of Public Health
Concentration: Global Health and Population Science |
| 2008 | | NIH Sponsored-Principles of HIV/STD Research Course,
University of Washington Center for AIDS and STDs |
| 2002-2007 | PhD | University of Connecticut
Concentration: Social Psychology
Advisor: Jeffery D. Fisher, Ph.D.
Dissertation: <i>Alcohol Involved Sexual Risk Behavior among HIV+ Individuals in South Africa: A Daily Process Study</i> |
| 2002-2006 | MA | University of Connecticut
Concentration: Social Psychology
Advisor: Jeffrey D. Fisher, Ph.D. |
| 1996-2001 | BS | University of Nebraska, with Honors
Major: Exercise Science |

PRIMARY ACADEMIC APPOINTMENTS

- | | |
|-----------------|----------------------------------------------------------------------------------------------------------------------------------------------------------|
| 08/2017-present | Professor of Global Health
Division of Epidemiology and Biostatistics
San Diego State University Graduate School of Public Health
San Diego, CA |
| 08/2017-present | Associate Director for Academic Affairs
San Diego State University Graduate School of Public Health
San Diego, CA |
| 08/2017 | Tenure awarded, San Diego State University Graduate School of Public Health |
| 5/2015-8/2016 | Co-Director (Interim), SDSU–UCSD Joint Doctoral Program in Global Health
San Diego State University Graduate School of Public Health
San Diego, CA |

- 1/2015-8/2017 Associate Professor of Global Health
Division of Epidemiology and Biostatistics
San Diego State University Graduate School of Public Health
San Diego, CA
- 9/2011-1/2015 Assistant Professor of Community Medicine and Health Care
University of Connecticut School of Medicine
Farmington, CT
- 5/2007-9/2011 Assistant Professor of Medicine and Community Health (Research)
The Warren Alpert Medical School of Brown University
Providence, RI

SECONDARY ACADEMIC APPOINTMENTS

- 07/2017-present Adjunct Professor of Behavioral and Social Science
Brown University School of Public Health
Providence, RI
- 07/2016-6/2017 Adjunct Associate Professor of Behavioral and Social Science
Brown University School of Public Health
Providence, RI
- 9/2011-6/2015 Adjunct Assistant Professor of Behavioral and Social Science
Brown University School of Public Health
Providence, RI
- 2009-2011 Visiting Professor of Community Health and Behavioral Science
Makerere University School of Public Health
Kampala, Uganda

HOSPITAL APPOINTMENTS

- 5/2007-9/2011 Research Scientist, Rhode Island Hospital, Providence, RI

OTHER APPOINTMENTS

- 2015-present Participating Scholar, Center for Research on Sexuality and Sexual Health (SASH),
San Diego State University
- 2007-present Faculty Research Affiliate, Institute for Collaboration on Health, Intervention, and
Policy (InCHIP), University of Connecticut
- 2007-2011 Faculty Member, Brown/Tufts/Lifespan Center for AIDS Research (CFAR)
The Warren Alpert Medical School of Brown University

FELLOWSHIPS/ TRAINING SUPPORT

- 2015 Grants and Research Enterprise Writing (GREW) Fellow, San Diego State
University
- 2009 Fellowship in Population and Health, IFC Macro
- 2006-2007 Doctoral Dissertation Fellowship, University of Connecticut
- 2004-2007 Ruth L. Kirschstein National Research Service Award (NRSA), Individual Pre-
doctoral Fellowship, NIMH/NIH

2003 Summer Research Fellowship, University of Connecticut
 2002-2003 David Zeaman Memorial Fellowship, University of Connecticut

HONORS and AWARDS

2005 Scholarship to attend the 7th International AIDS IMPACT Conference, Cape Town, South Africa
 2004 Clarence J. Rosecrans Research Scholarship, American Psychological Foundation/APA
 2004 Scholarship to attend the XV International AIDS Conference, Bangkok, Thailand
 2003 Society for Personality and Social Psychology Student Travel Award
 2003 Travel Award, University of Connecticut
 2003 Scholarship to attend the South African AIDS Conference, Durban, South Africa
 2001 Superior Scholar, University of Nebraska
 2001 Graduated with Honors, University of Nebraska
 2000 Mortar Board Notable, University of Nebraska
 1996-2001 Honors Program Scholarship, University of Nebraska
 1996 Canfield Scholarship, University of Nebraska

PEER REVIEWED PUBLICATIONS

* denotes student co-author, † denotes senior/corresponding author

1. *Sileo, K. M., Wanyenze, R. K., Lule, H., & †**Kiene, S. M.** (in press). "That would be good but most men are afraid of coming to the clinic": Men's and women's perspectives on strategies to increase male involvement in women's reproductive health services in rural Uganda. *Journal of Health Psychology*.
2. *Hendrickson, E., Novotny, T. E., Soares, E. C. C., Sereno, A. B., & **Kiene, S. M.** (in press). HIV/TB, and Tobacco in Brazil: A syndemic that calls for integrated interventions. *Cadernos de Saúde Pública/ Reports in Public Health*.
3. *Bergmann, J. N. Wanyenze, R. K., Makumbi, F., Naigino, R., **Kiene, S. M.**, & Stockman, J. K. (in press). Maternal barriers to access and use of infant ART and HIV health services in Uganda. *AIDS and Behavior*.
4. **Kiene, S. M.**, *Gbenro, O., *Sileo, K. M., Lule, H., & Wanyenze, R. K. (2017). How do we get partners to test for HIV?: Predictors of uptake of partner HIV testing following Individual outpatient provider initiated HIV testing in rural Uganda. *AIDS and Behavior*, 21(8), 2497-2508.
5. **Kiene, S. M.**, Kalichman, S. C., *Sileo, K. M., Menzies, N. A., Naigino, R., Lin, C. D., Bateganya, M. B., Lule, H., & Wanyenze, R. K. (2017). Efficacy of an enhanced linkage to HIV care intervention at improving linkage to HIV care and achieving viral suppression following home-based HIV testing in rural Uganda: Study protocol for the Ekkubo/PATH cluster randomized controlled trial. *BMC Infectious Diseases*, 17, 460.
6. **Kiene, S. M.**, Lule, H., Hughes, P., & Wanyenze, R. K. (2017). Concordance between laboratory diagnosed sexually transmitted infections and self-reported measures of risky sex by partner type among rural Ugandan outpatients. *AIDS and Behavior*, 21(7), 2167-2172.

7. **Kiene, S. M.**, Lule, H., *Sileo, K. M., *Silmi, K. P., & Wanyenze, R. K. (2017). Depression, alcohol use, and intimate partner violence among outpatients in rural Uganda: Vulnerabilities for HIV, STIs, and high risk sexual behavior. *BMC Infectious Diseases*, *17*, 88.
8. *Sileo, K. M., Simbayi, L. C., Abrams, A., Cloete, A., & †**Kiene, S. M.** (2016). The role of alcohol use in antiretroviral adherence among individuals living with HIV in South Africa: Event-level findings from a daily diary study. *Drug and Alcohol Dependence*, *167*, 103-111.
9. **Kiene, S. M.**, Bateganya, M. H., Lule, H., & Wanyenze, R. K. (2016). The effect of brief motivational interviewing-based counseling during outpatient provider-initiated HIV testing and counseling in rural Uganda on high risk sexual behavior. *AIDS and Behavior*, *20*, 1928-1936.
10. Bateganya, M. H., *Sileo, K. M., Wanyenze, R. K., & †**Kiene, S.M.** (2016). Strategies for delivery of HIV test results in population-based HIV seroprevalence surveys: A review of the evidence. *Public Health*, *135*, 3-13.
11. *Sileo, K. M., Kintu, M., *Chanes-Mora, P., & †**Kiene, S. M.** (2016). "Such behaviors are not in my home village, I got them here": A qualitative study of the influence of contextual factors on alcohol and HIV risk behaviors among fishing communities on Lake Victoria, Uganda. *AIDS and Behavior*, *20*(3), 537-547.
12. **Kiene, S. M.**, Simbayi, L. C., *Abrams, A., & Cloete, A. (2016). Alcohol expectancies and inhibition conflict as moderators of the alcohol-unprotected sex relationship: Event-level findings from a daily diary study among individuals living with HIV in Cape Town, South Africa. *AIDS and Behavior*, *20*, S60-S73.
13. *Sileo, K. M., Wanyenze, R. K., Lule, H., & †**Kiene, S. M.** (2015). Determinants of family planning service uptake and use of contraceptives among postpartum women in rural Uganda. *International Journal of Public Health*, *60*, 987-997.
14. **Kiene, S. M.**, *Sileo, K., Wanyenze, R. K., Lule, H., Bateganya, M. H., *Jasperse, J., Nantaba, H., & *Jayaratne, K. (2015). Barriers to and acceptability of provider-initiated HIV testing and counselling and adopting HIV prevention behaviours in rural Uganda: A qualitative study. *Journal of Health Psychology*, *20*(2), 173-187.
15. Shuper, P. A., **Kiene, S. M.**, Mahlase, G., MacDonald, S., Christie, S., Cornman, D. H., Fisher, W. A., Greener, R., Lalloo, U., Pillay, S., van Loggerenberg, F., & Fisher, J. D. (2014). HIV transmission risk behavior among HIV-positive patients receiving antiretroviral therapy in KwaZulu-Natal, South Africa. *AIDS and Behavior*, *18*(8), 1532-1540.
16. **Kiene, S. M.**, *Hopwood, S., Lule, H., & Wanyenze, R. K. (2014). An empirical test of the Theory of Planned Behaviour applied to contraceptive use in rural Uganda. *Journal of Health Psychology*, *19*(12), 1564-1575.
17. **Kiene, S. M.**, & Subramanian, S. V. (2013). Event-level association between alcohol use and unprotected sex during last sex: Evidence from population-based surveys in sub-Saharan Africa. *BMC Public Health*, *13*, 583.
18. **Kiene, S. M.**, Fisher, W. A., Shuper, P. A., Cornman, D. H., Christie, S., MacDonald, S., Pillay, S., Mahlase, G., & Fisher, J. D. (2013). Understanding HIV transmission risk behavior among HIV-infected South Africans receiving antiretroviral therapy: An Information—Motivation—Behavioral Skills Model analysis. *Health Psychology*, *32*, 860-868.

19. Barta, W. A., Tennen, H., & **Kiene, S. M.** (2010). Alcohol-involved sexual risk behavior among heavy drinkers living with HIV/AIDS: Negative affect, self-efficacy, and sexual craving. *Psychology of Addictive Behaviors, 24*, 563-570.
20. Bateganya, M. H., Abdulwadud, O. A., & **Kiene, S. M.** (2010). Home-based HIV voluntary counselling and testing (VCT) for improving uptake of HIV testing. *Cochrane Database of Systematic Reviews, 7*. Art. No.: CD006493. DOI: 10.1002/14651858.CD006493.pub4
21. **Kiene, S. M.**, Bateganya, M., Wanyenze, R., Lule, H., Nantaba, H., & Stein, M. D. (2010). Initial outcomes of provider-initiated routine HIV-testing and counseling during outpatient care at a rural Ugandan hospital: Risky sexual behavior, partner HIV-testing, disclosure and HIV-care seeking. *AIDS Patient Care and STDs, 24*, 117-126.
22. **Kiene, S. M.**, Bateganya, M., Wanyenze, R., Lule, H., Mayer, K. H. & Stein, M. D. (2009). Provider-initiated HIV testing in health care settings: Should it include client-centered counseling? *SAHARA: Journal of the Social Aspects of HIV/AIDS Research Alliance, 6*, 46-50.
23. Barta, W. D., Kurth, M. E., Stein, M. D., Tennen, H., & **Kiene, S. M.** (2009). Craving and self-efficacy in the first five weeks of methadone maintenance therapy: A daily process study. *Journal of Studies on Alcohol and Drugs, 70*, 735-740.
24. Ferrer, R., Amico, K. R., Bryan, A., **Kiene, S. M.**, Cornman, D. H., Fisher, J. D., & Fisher, W. A. (2009). Accuracy of the stages of change algorithm: Sexual risk reported in the maintenance stage of change. *Prevention Science, 10*, 13-21.
25. Stein, M. D., Anderson, B. J., Caviness, C. M., Rosengard, C., **Kiene, S. M.**, Friedmann, P., & Clarke, J. G., (2009). Relationship of alcohol use and sexual risk taking among hazardously drinking incarcerated women: an event-level analysis. *Journal of Studies on Alcohol and Drugs, 70*, 508-515.
26. **Kiene, S. M.**, Barta, W. D., Tennen, H., & Armeli, S. (2009). Alcohol, helping young adults have sex with casual partners: Findings from a daily diary study of alcohol use and sexual behavior. *Journal of Adolescent Health, 44*, 73-80.
27. Caviness, C. M., Hatgis, C., Anderson, B. J., Rosengard, C., **Kiene, S. M.**, Friedman, P. D., & Stein, M. D. (2009). Three brief alcohol screens for detecting hazardous drinking in incarcerated women. *Journal of Studies on Alcohol and Drugs, 70*, 50-54.
28. **Kiene, S. M.**, Simbayi, L. C., Abrams, A., Cloete, A., Tennen, H., & Fisher, J. D. (2008). High rates of unprotected sex occurring among HIV-positive individuals in a daily diary study in South Africa: The role of alcohol use. *Journal of Acquired Immune Deficiency Syndromes, 49*, 219-226.
29. Barta, W. D., Portnoy, D., **Kiene, S. M.**, Tennen, H., Abu-Hasaballah, K. S., & Ferrer, R. (2008). A daily process investigation of alcohol-involved unsafe sexual activity among economically disadvantaged problem drinkers living with HIV/AIDS. *AIDS and Behavior, 12*, 729-740.

30. Cornman, D. H., **Kiene, S. M.**, Christie, S., Fisher, W. A., Shuper, P. A., Pillay, S., Friedland, G. H., Thomas, C. M., Lodge, L., & Fisher, J. D. (2008). Clinic-based intervention reduces unprotected sexual behavior among HIV-infected patients in KwaZulu-Natal, South Africa. *Journal of Acquired Immune Deficiency Syndromes*, *48*, 553-560.
31. **Kiene, S. M.**, Tennen, H., & Armeli, S. (2008). Today I'll use a condom, but who knows about tomorrow: A daily process study of variability in predictors of condom use behavior. *Health Psychology*, *27*, 463-472.
32. Bateganya, M. H., Abdulwadud, O. A., & **Kiene, S. M.** (2007). Home-based HIV voluntary counseling and testing in developing countries. (Review). *Cochrane Database of Systematic Reviews 2007, Issue 4. Art. No.: CD006493. DOI: 10.1002/14651858.CD006493.pub2.*
33. Barta, W. D., **Kiene, S. M.**, Tennen, H., Abu-Hasaballah, K., & Ferrer, R. (2007). An idiographic study of inconsistent condom use behavior of persons living with HIV. *AIDS Care*, *19*, 1058-1064.
34. **Kiene, S. M.**, & Barta, W. D. (2006). A brief individualized computer-delivered sexual risk reduction intervention increases HIV/AIDS preventive behavior. *Journal of Adolescent Health*, *39*, 404-410.
35. **Kiene, S. M.**, Christie, S., Cornman, D. H., Fisher, W. A., Shuper, P. A., Pillay, S., Friedland, G. H., & Fisher, J. D. (2006). Sexual risk behavior among HIV-positive individuals in clinical care in KwaZulu-Natal, South Africa. *AIDS*, *20*, 1781-1784.
36. Barta, W. & **Kiene, S. M.** (2005). Motivations for infidelity in heterosexual dating couples: The roles of gender, personality differences, and sociosexual orientation. *Journal of Social and Personal Relationships*, *22*, 339-360.
37. **Kiene, S. M.**, Barta, W. D., Zelenski, J. M., & Cothran, D. L. (2005). Why are you bringing up condoms *now*? The effect of message content on framing effects of condom use messages. *Health Psychology*, *24*, 321-326.
38. **Kiene, S. M.** & Barta, W. (2003). Personal narrative as a medium for STD/HIV intervention: A preliminary study. *Journal of Applied Social Psychology*, *33*, 2327-2340.

NON-REFEREED BOOK CHAPTERS

1. **Kiene, S. M.**, Fisher, J. D., & Fisher, W. A. (2005). Interventions in clinical settings. In S. C. Kalichman (Ed.), *Positive Prevention: Reducing HIV Transmission among People Living with HIV-AIDS* (pp. 219-244). New York: Kluwer.

ABSTRACTS / PRESENTATIONS at PROFESSIONAL MEETINGS

* denotes student presenter

1. **Kiene, S. M.**, Naigino, R., Sileo, K. M., Kalichman, S.C., Menzies, N., Lule, H. , Bateganya, M. H., Lin, C. D. , Nogueira, B., Snyder, T., Wanyenze, R. K., & PATH/Ekkubo Study Team. (2017, July). *Only 38% of adults living with HIV aware of their HIV+ status but progress in ART coverage and viral suppression in a subnational survey in Uganda: Progress towards UNAIDS 90-90-90.* Poster presentation at the 9th IAS Conference on HIV Science, Paris, France.

2. **Kiene, S. M.**, *Gbenro, O., Lule, H., & Wanyenze, R. K. (2016, November). *Identifying potential avenues to help women get their partners to test for HIV in rural Uganda*. Oral presentation at the International Council on Women's Health Issues Congress, Baltimore, Maryland.
3. *Alamillo, N., **Kiene, S. M.**, Rangel, G., Martinez, G., Vera, A., Manian, S., & Strathdee, S.A. (2016, November). *Associations between Perceived Community-Level Violence and Sexual and Injection Risk Behaviors among Mexican Female Sex Workers Who Inject Drugs*. Poster presentation at the 144th American Public Health Association Annual Meeting, Denver, Colorado.
4. *Sileo, K. M., Kintu, M., & Kiene, S. M. (2016, November). *The role of economic instability and empowerment in HIV prevention behaviors among women in a Ugandan fishing village: A qualitative comparison of females in high-risk occupations*. Poster presented at the annual meeting of the Society for the Scientific Study of Sexuality, Phoenix, AZ.
5. *Alamillo, N., **Kiene, S. M.**, & Strathdee, S.A. (2016, June). *Perceived community-level violence and STI prevalence among Mexican FSW-IDUs*. Poster presented at the NIDA International Forum, Palm Springs, California.
6. *Sileo, K. M., Kintu, M., **Kiene, S. M.** (2015, November). *Motivation for alcohol use in the context of commercial sex work and its influence on sexual risk: A qualitative study in Ugandan fishing communities*. Poster presented at the 143rd American Public Health Association Annual Meeting, Chicago, Illinois.
7. *Sileo, K. M., Kintu, M., & **Kiene, S. M.** (2015, April). *Predictors of unprotected sex among women living in rural Fishing Communities along Lake Victoria: A comparison of women who have had sex for money and those who have not*. Presented within breakout session: A Cross-Cultural Examination of Intimate Partner Violence: An Interactive Panel Discussion on Counter-Intuitive Findings from Uganda, Mexico, and India. Panel Discussion presented at the 2015 UC Global Health Day, Los Angeles, California.
8. *Sileo, K. M., Kintu, M., & **Kiene, S. M.** (2015, March). *History of sexual abuse, depression, and alcohol use as risk factors for HIV infection in high HIV prevalence fishing communities in rural Uganda*. Poster presented at the 6th Annual Consortium of Universities for Global Health (CUGH) Conference, Boston, Massachusetts.
9. **Kiene, S. M.**, Lule, H., Bateganya, M. H., Nantaba, H., & Wanyenze, R. K. (2014, July). *Initial outcomes of a brief motivational interviewing-based intervention during provider-initiated HIV testing and counseling in rural Uganda*. Oral paper presentation at the 20th International AIDS Conference, Melbourne, Australia. Webcast: <http://youtu.be/OZntxKwhuxE>
10. **Kiene, S. M.**, Lule, H., Wanyenze, R. K., Nantaba, H., & Bateganya, M. H. (2014, July). *STI prevalence among a cohort of outpatients receiving provider-initiated HIV testing and counseling in rural Uganda*. Poster presented at the 20th International AIDS Conference, Melbourne, Australia.
11. Shuper, P.A., Christie, S., Cornman, D.H., Fisher, W.A., **Kiene, S.M.**, Lalloo, U.G., MacDonald, S., Ngcobo, N., Pillay, S., & Fisher, J.D. (2014, July). *High rates of HIV serostatus disclosure to recent sexual partners among HIV-positive individuals receiving antiretroviral therapy in KwaZulu-Natal, South Africa*. Poster presented at the 20th International AIDS Conference, Melbourne, Australia.

12. **Kiene, S. M.**, Chanes-Mora, P., & Kintu, M. (2013, November). *The social ecology of HIV risk in fishing communities in Wakiso District*. Paper presented at the Mbarara University of Science and Technology Research Innovations Conference, Mbarara, Uganda.
13. *Sileo, K., & **Kiene, S. M.** (2013, November). *Determinants of contraceptive use and related behaviors among postpartum women in rural Uganda*. Poster presented at the 141st American Public Health Association Annual Meeting, Boston, MA.
14. **Kiene, S. M.** & Kintu, M. (2013, September). *Physiological and behavioral aspects of alcohol use are associated with HIV status in fishing communities in rural Uganda*. Poster presented at the XI AIDS IMPACT Conference: Biopsychosocial Aspects of HIV Infection, Barcelona, Spain
15. **Kiene, S. M.**, Chanes-Mora, P., & Kintu, M. (2013, July). *The case for a social ecological approach to HIV prevention and care In Uganda*. Paper presented at the 2nd International Conference for the Social Sciences and Humanities in HIV. Paris, France.
16. **Kiene, S. M.**, Sileo, K., & Kintu, M. (2013, June). *Hazardous alcohol use, alcohol dependence, and related risk factors associated with HIV infection in fishing communities in Uganda*. Plenary session presented at the 39th Annual meeting of the Kettil Bruun Society, Kampala, Uganda.
17. **Kiene, S. M.**, Wanyenze, R., Lule, H., Jasperse, J., Gupta, N., Nantaba, H., Vaghjiani, R., & Bateganya, M. (2012, July). *Depression symptoms and disclosure in the 4 weeks following learning one's HIV status in provider-initiated HIV testing and counseling in rural Uganda*. Poster session presented at the XIX International AIDS Conference, Washington, DC.
18. Fisher, W. A., **Kiene, S. M.**, Shuper, P. A., Cornman, D. H., Christie, S., MacDonald, S., Pillay, S., Mahlase, G., Fisher, J. D. (2012, July). Understanding HIV transmission risk behavior in the Options for Health/Izindlela Zokuphila study cohort: An Information—Motivation—Behavioral Skills model analysis. Poster session presented at the XIX International AIDS Conference (AIDS 2012), Washington, DC.
19. Shuper, P. A., **Kiene, S. M.**, Mahlase, G., MacDonald, S., Christie, S., Cornman, D. H., Fisher, W. A., Friedland, G., Greener, R., Lalloo, U. G., Ngcobo, N., Pillay, S., Shepherd, L., Smith, L. R., van Loggerenberg, F., Fisher, J. D. (2012, July). Predictors of HIV transmission risk behavior among HIV-positive South Africans in clinical care. Poster session presented at the XIX International AIDS Conference (AIDS 2012), Washington, DC.
20. **Kiene, S. M.**, Wanyenze, R., Bateganya, M., Lule, H., & Stein, M. D. (2012, June). Alcohol use and risk for HIV infection among outpatient in rural Uganda: Gender specific implications for interventions. In S. Woolf-King and J. Hahn (Chairs), *Alcohol and HIV in sub-Saharan Africa: Implication for HIV treatment and prevention*. Symposium conducted at the 35nd annual Research Society on Alcoholism Meeting, San Francisco, CA
21. **Kiene, S. M.**, Wanyenze, R., Bateganya, M., & Lule, H. (2011, December). *The impact of provider-initiated routine HIV counseling and testing during outpatient care on promoting safer sexual behaviors in Uganda*. Paper presented at BIT's 2nd Annual World AIDS Day Conference, Beijing, China.

22. **Kiene, S. M.**, Bateganya, M., Wanyenze, R., Lule, H., Nantaba, H., & Stein, M. D. (2011, October). *Depression symptoms and HIV risk among hospital outpatients in rural Uganda*. Roundtable discussion presented at the 139th American Public Health Association Meeting, Washington, DC.
23. Bateganya, M.B., **Kiene, S. M.**, & Wanyenze, R. (2011, September). *Home based testing and counseling for HIV: Advances and limitations*. Paper presented at the 51st Interscience Conference on Antimicrobial Agents and Chemotherapy, Chicago, IL.
24. **Kiene, S. M.**, Wanyenze, R., Bateganya, M., Lule, H., Nantaba, H., & Stein, M. D. (2011, July). *Intimate partner physical and sexual violence are associated with perceived and actual HIV risk among hospital outpatients in rural Uganda*. Paper presented at the 6th International AIDS Society Conference on HIV Pathogenesis, Treatment, and Prevention, Rome, Italy.
25. **Kiene, S. M.**, Fisher, W. A., Shuper, P., Cornman, D., Christie, S., Pillay, S., MacDonald, S., Shepherd, L., Mahlase, G., Jojo, Z., vanLoggerenberg, F., Lalloo, U., Ngcobo, N., Greener, R., Friedland, G., & Fisher, J. D. (2010, July). *An Information-Motivation-Behavioral Skills model (IMB) of HIV-preventive behavior among HIV-positive individuals in KwaZulu-Natal, South Africa*. Poster session presented at the XVIII International AIDS Conference, Vienna, Austria.
26. Lule, H., Wanyenze, R., Bateganya, M., Nantaba, H., DePalo, D., Sessanga, R., Stein, M. D., & **Kiene, S. M.** (2010, July). *Correlates of testing HIV-positive during provider-initiated HIV counseling and testing offered as part of outpatient care at a rural Ugandan hospital*. Poster session presented at the XVIII International AIDS Conference, Vienna, Austria.
27. Shuper, P.A., **Kiene, S. M.**, Mahlase, G., MacDonald, S. P., Christie, S., Cornman, D. H., Fisher, W. A., Friedland, G., Greener, R., Jojo, Z., Lalloo, U. G., Ngcobo, N., Pillay, S., Shepherd, L., vanLoggerenberg, F., & Fisher, J. D. (2010, July). *Predictors of unprotected sexual behavior among HIV-positive South African women and men receiving antiretroviral therapy*. Paper presented at the XVIII International AIDS Conference, Vienna, Austria.
28. **Kiene, S. M.**, Lule, H., Wanyenze, R., Bateganya, M., Nantaba, H., Mirembe-Sessanga, R., & Stein, M. D. (2009, July). *HIV-care seeking among individuals testing HIV-positive in routine HIV-testing in an outpatient clinic in rural Uganda*. Poster session presented at the 5th International AIDS Society Conference on HIV Pathogenesis, Treatment, and Prevention, Cape Town, South Africa.
29. **Kiene, S. M.**, Bateganya, M., Wanyenze, R., Lule, H., Nantaba, H., Mirembe-Sessanga, R., & Stein, M. D. (2009, July). *Disclosure and uptake of partner HIV-testing following individual routine HIV-testing during outpatient care in rural Uganda*. Oral poster session presented at the 5th International AIDS Society Conference on HIV Pathogenesis, Treatment, and Prevention, Cape Town, South Africa.
30. **Kiene, S. M.**, Tennen, H., Simbayi, L., Cloete, A., Abrams, A., Armeli, S., Barta, W. D., & Fisher, J. D. (2009, June). Effects of alcohol on sexual behavior vary by population and contextual factors: Evidence from daily diary studies in South Africa and the U.S. In M. A. Lewis & D. L. Kaysen (Chairs), *Alcohol use in relation to risky sexual behavior and PTSD: The application of event-level methodologies to examine complex clinical issues*. Symposium conducted at the 32nd annual Research Society on Alcoholism Meeting, San Diego, CA.

31. Mirembe-Sessanga, R., Lule, H., & **Kiene, S. M.** (2009, May). *Afaayo family support groups at Gombe Hospital*. Paper presented at the National HIV/AIDS Counseling Conference: HIV Counseling: Networking in Response to Emerging Issues, Kampala, Uganda.
32. **Kiene, S. M.**, Wanyenze, R., Bateganya, M., Lule, H., Nantaba, H., Mirembe-Sessanga, R., & Stein, M.D. (2009, May). *HIV-risk behavior and linkage to care 3-months following routine HIV-counseling and testing in the outpatient department at Gombe Hospital*. 67. **Kiene, S. M.,** & Barta, W. (2002, June). *Heterosexual dating infidelity: Individual differences in incidence and motivations.* Paper presented at the meeting of the Midcontinent and Eastern Regional Conference of the Society for the Scientific Study of Sexuality, Big Rapids, MI.
68. **Kiene, S. M.** (2002, May). *Personal narrative as a medium for STD/HIV intervention in the college population.* Poster session presented at the annual meeting of the American College Health Association, Washington, DC.

INVITED PRESENTATIONS

1. Kiene, S. M. (2016, November). *Increasing Male Involvement in Health Services to Improve Women's Health in Uganda.* San Diego State University International Peace Village, San Diego, CA.
2. Kiene, S. M. (2015, August). *SmartCDS: Malaria Diagnosis, Treatment, and Surveillance using Smartphones.* NSF-CDI and NSF-IBSS Projects Summer Specialist Meeting: Representing Human Dynamics with Big Data, Social Media, and Social Networks in Hyperlocal Contexts, San Diego, CA.
3. Kiene, S. M. & Wanyenze, R. K. (2015, July). *Family Planning, HIV testing and Linkage to Care in Butambala District: Findings from the Salawo Research Collaboration.* Makerere University School of Public Health Seminar Series, Kampala, Uganda.

4. Kiene, S. M. (2013, October). *The meaning of partner type in drinking-related risky sex in high-risk populations*. NIAAA Workshop to Consider the Next Steps in HIV Preventive Intervention Development, Bethesda, MD.
5. Kiene, S. M. (2012, October). *Cross-cultural intervention research: HIV prevention and family planning in Uganda*. Psychology Colloquium, VA Connecticut Healthcare System, Newington, CT.
6. Kiene, S. M. (2012, March). *HIV Testing and family planning interventions in rural Uganda*. Public Health House Guest Lecture Series, University of Connecticut, Storrs, CT.
7. Kiene, S. M. (2011, November). *Health behavior change interventions in Uganda: From individual-level change to improving public health*. Center for Alcohol and Addiction Study Rounds, Brown University, Providence, RI.
8. Kiene, S. M. (2010, May). *Health behavior change interventions during routine outpatient clinical care in Uganda: HIV counseling and testing & family planning interventions*. Presentation at the Center for Health, Intervention and Prevention (CHIP), University of Connecticut, Storrs, CT.
9. Kiene, S. M. (2009, September). *Alcohol, sexual risk, and HIV: Population and situational differences between the US and sub-Saharan Africa*. Presentation at the Alcohol Research Center, Department of Psychiatry, University of Connecticut Health Center, Farmington, CT.
10. Kiene, S. M. (2009, May). *The Salawo Research Collaboration: Research on routine/opt-out HIV-testing and counseling in rural Uganda*. Presentation at the Japanese International Collaboration Association (JICA), Kampala, Uganda.
11. Kiene, S. M. (2009, April). *Psychosocial aspects of prevention in the global HIV-epidemic*. Presentation as part of the *Innovative Approaches to Global Health Lecture Series* at Brown University, Providence, RI.
12. Kiene, S. M. (2009, February). *Creating effective health communications: Examples from HIV prevention research in Africa*. Presentation at the Department of Community Health, Brown University, Providence, RI.
13. Kiene, S. M. (2008, October). *Provider-initiated opt-out HIV-testing in rural Uganda: Is it working?* Presentation at the Research-in-Progress Seminar Series, Brown University, Brown/Lifespan/Tufts Center for AIDS Research (CFAR), Providence, RI.
14. Kiene, S. M. (2007, November). *Creating brief HIV-risk reduction interventions in clinical settings in sub-Saharan Africa: Understanding the dynamics of sexual risk behavior*. Presentation at the Lunch & Learn Lecture Series, University of Washington, Center for AIDS Research (CFAR), Seattle, WA.
15. Kiene, S. M. (2007, May). *Does alcohol lead to unprotected sex?: Evidence from a daily diary study among HIV-positive individuals in Cape Town, South Africa*. Presentation at the Human Sciences Research Council (HSRC), Cape Town, South Africa.
16. Kiene, S. M. (2007, January). *Using innovative methodologies to understand sexual risk behavior: Applications to interventions*. Presentation at the Department of Psychology, George Washington University, Washington, DC.

17. Kiene, S. M. (2006, November). *Predictors of and processes underlying sexual risk behavior: Creating more potent interventions*. Presentation at the Substance Abuse Research Unit, Brown Medical School, Providence, Rhode Island.
18. Kiene, S. M. & Pillay, S. (2006, May). *Izindlela Zokuphila/ Options for Health intervention outcomes*. Presentation at McCord Hospital, Durban, South Africa
19. Kiene, S. M., & Tennen, H. (2006, March). *The promise of daily process designs to understand risky and health promoting behaviors*. Presentation at the Medical and Health Research Association (MHRA), New York, NY.
20. Kiene, S. M., & Barta, W. D. (2005, March). *Using technology to collect idiographic data and promote behavior change*. Presentation at the Alcohol Research Center, Department of Psychiatry, University of Connecticut Health Center, Farmington, CT.
21. Kiene, S. M. (2004, October). *The art of grant writing*. Panelist on an Office of Sponsored Programs presentation, Storrs, CT.

ACTIVE RESEARCH SUPPORT - EXTERNAL

1. R01 MH106391 Kiene (co-PI with Wanyenze) 7/28/15-6/30/20
NIMH
Enhanced Linkage to HIV Care Following Home Based HIV Testing in Rural Uganda
In this cluster randomized trial we will randomize communities in rural Uganda to receive home-based HIV counseling and testing with either the proposed enhanced linkage to care intervention or standard of care follow up after testing HIV positive. We will compare the effectiveness of the two follow up approaches at linking those who test HIV positive to care, antiretroviral therapy (ART), and achieving HIV viral load suppression.
Role: **Co-Principal Investigator (contact PI)**

ACTIVE RESEARCH SUPPORT - INTERNAL

1. University Grants Program Kiene (PI) 1/1/17-5/31/18
San Diego State University
Effects of alcohol and non-injection drug use on care engagement and treatment outcomes among HIV-TB co-infected individuals in Brazil
Using data from a longitudinal cohort of approximately 900 individuals co-infected with HIV and Tuberculosis (TB) at FIOCRUZ in Brazil we will examine effects of non-IDU and alcohol use on health care engagement and treatment outcomes.
Role: Principal Investigator
2. Faculty Grant Kiene & Zúñiga (co-PIs) 8/1/16-5/31/18
J. Keith Behner and Catherine M. Stiefel Program on Brazil at San Diego State University
Brazil Syndemics Research Partnership to improve health of Brazilians co-infected with HIV and Tuberculosis and suffering from substance use disorders
This project will develop of the Brazil Syndemics Research Partnership (BSRP) and will articulate a short- and long-term collaborative research strategy. We will conduct qualitative research to understand the barriers to treatment adherence (HIV/TB/substance use) and to assess the feasibility and acceptability of a proposed community-based intervention.
Role: **Co-Principal Investigator**

3. President's Leadership Fund Grant Kiene (PI) 7/1/15-6/30/18
 San Diego State University
Harnessing Mobile Technology to Improve Public Health in Developing Countries: A Global Faculty and Student Interdisciplinary Collaboration
 In this project we will build a multidisciplinary faculty-student collaborative research team from San Diego State University and Makerere University School of Public Health in Uganda. This team will develop and pilot a mHealth app in rural Uganda.
 Role: **Principal Investigator**

COMPLETED RESEARCH SUPPORT - EXTERNAL

1. P01 AA019072 Monti (PI), Kiene (sub-component PI) 09/1/12-08/31/14
 NIAAA
Alcohol and HIV-Risk among Fishermen and Commercial Sex Workers in Uganda. Sub-component of "Alcohol and HIV: Biobehavioral Interactions and Intervention" P01 (PI: Monti). In this project we conducted formative research with high-risk groups in fishing villages in Wakiso District, Uganda, to understand the dynamics and social situations that facilitate alcohol and sexual risk behavior, identify communication methods that effectively reach the target populations.
 Role: **Sub-component Principal Investigator**
2. K01 MH083536 Kiene (PI) 05/01/08-4/30/14
 NIMH
Client-Centered Counseling during Routine/Opt-Out HIV-Testing in Uganda
 The research under this mentored research scientist development award will adapted an effective theory-based brief client-centered prevention for positives intervention designed to decrease risky sexual behavior, to the primary prevention setting of outpatient routine/opt-out HIV testing and counseling (RTC) in Uganda.
 Role: **Principal Investigator**
3. R01 MH077524 Fisher (PI) 01/11/07-12/31/11
 NIMH
Integrating HIV Prevention into Clinical Care for PLWHA in South Africa
 This award supported a 16-site RCT of an HIV-prevention intervention for PLWHA in South Africa delivered in the context on ongoing clinical care.
 Role: **Consultant**
4. Medical Research Grant Kiene (PI) 02/01/08-1/31/09
 Rhode Island Foundation
Dynamics of Risky and Safer Sexual Behavior among Couples in Rural Uganda
 This grant supported preliminary research in Uganda to develop and pilot test CAPI computer delivered interview measures in the local language of Luganda that assessed sexual behavior, dynamics of sexual communication, and decision making.
 Role: **Principal Investigator**

5. R21 AA0156651 Barta (PI) 9/30/05-5/31/08
 NIAAA
Alcohol Involved Sexual Risk Behavior among HIV+ Individuals
 This award supported research using interactive voice response technology to investigate alcohol-involved sexual risk behavior among impoverished HIV-positive individuals in Connecticut.
 Role: **Statistician/Consultant**
6. F31 MH072547 Kiene (PI) 6/1/04-5/1/07
 NIMH
Dynamics of HIV Risk Behavior: A Daily Process Approach, NRSA Individual Pre-Doctoral Award
 This award supported research using a daily diary methodology to understand the psychosocial and social cognitive factors related to HIV risk behavior and alcohol-involved HIV risk behavior among HIV-positive South African individuals.
 Role: **Principal Investigator**
7. Clarence J. Rosecrans Research Award Kiene (PI) 11/1/04-10/31/05
 American Psychological Foundation
Stress and Negative Affect: A Daily Process Study of HIV-risk Behavior among HIV-positive Individuals in South Africa
 The goal of the research was to investigate the role of daily stress and emotion in HIV-risk behavior among HIV-positive individuals in South Africa.
 Role: **Principal Investigator**
8. Grant-in-Aid Kiene (PI) 7/5/04-7/4/05
 Society for the Psychological Study of Social Issues
A Daily Process Study of HIV-Risk Behavior among HIV-Positive Individuals in South Africa
 This award supported daily diary research investigating near-time predictors of unprotected sexual behavior among HIV-positive individuals in South Africa.
 Role: **Principal Investigator**
9. Graduate Student Research Grant
 Research in Ethnic Minority Health Psychology Kiene (PI) 4/1/03-3/31/04
 Health Psychology Division (38), American Psychological Association
Development of a Culturally-tailored Model of Condom Use Behavior
 This award supported the identification and testing of a model incorporating cultural values that support condom use in the Puerto Rican community.
 Role: **Principal Investigator**

COMPLETED RESEARCH SUPPORT – INTERNAL

1. University Grants Program Kiene (PI) 1/1/16-6/30/17
 San Diego State University
mHealth Intervention for Diarrheal Disease: Empowering Caregivers and Patients
 The proposed project assessed the acceptability and feasibility of a pilot mHealth intervention to provide patients and/or caregivers with diarrheal management information to make educated actions based on the patient's symptoms.
 Role: **Principal Investigator**

2. Innovations in Women's Health Research Seed Grant Kiene (PI) 11/01/08-10/31/09
Brown University / Women & Infants Hospital National Center of Excellence in Women's Health (CoE)
Involving male partners in antenatal services to increase HIV-testing and family planning usage in rural Uganda.
In this research we investigated the enabling and impeding factors to couples-based comprehensive antenatal care services (HIV-testing, family planning) and compared the uptake of partner HIV-testing and post-delivery intentions to use and use of family planning between women who received couples-based counseling about family planning and partner HIV-testing (intervention) to women who did not receive couples-based services (control).
Role: **Principal Investigator**

3. Doctoral Dissertation Fellowship Award Kiene (PI) 2006-2007
University of Connecticut
Alcohol-Involved Sexual Risk Behavior Among HIV+ Individuals in South Africa: A Daily Process Study
This award provided additional support for dissertation research expenses to supplement the NRSA funds.
Role: **Principal Investigator**

4. Seed Grant Barta (PI) 7/1/04-6/30/05
Center for Health/ HIV Intervention & Prevention, UConn
A Pilot Daily Process Study of HIV Risk Behavior Among HIV-positive Individuals Living in Poverty
This award supported a pilot daily diary study of the predictors of alcohol-involved sexual risk behavior among impoverished HIV-positive individuals in Hartford, CT.
Role: **Co-Investigator**

5. Development Grant Fisher (PI) 7/1/04-6/30/05
Center for Health/ HIV Intervention & Prevention, UConn
Physician-Delivered Prevention Intervention for HIV-positive Individuals in Urban South Africa
The goal of this research was to develop and pilot test a physician-delivered HIV risk reduction intervention for HIV-positive individuals in a clinical care setting in KwaZulu-Natal, South Africa.
Role: **Co-Investigator**

MENTEES' RESEARCH SUPPORT

1. GloCal Health Fellowship Sileo (PI) 7/1/16-6/1/17
Fogarty/NIH/University of California Global Health Institute
Substance use and engagement in HIV care among Ugandan fishermen: A syndemic approach
This mentored award provides in-country dissertation research support for a study that will explore factors associated with engagement in the HIV care continuum among fishermen enrolled in HIV care in Uganda.
Role: **Co-Mentor** (with Wagman at UCSD)

2. Student Grant Nogueira (PI) 08/01/16-05/31/17
J. Keith Behner and Catherine M. Stiefel Program on Brazil at San Diego State University
Effects of non-injecting drug use in adherence to treatment and engagement to care in Brazilian patients co--infected with HIV and Tuberculosis
This mentored study is a retrospective cohort study using data from a clinical population with HIV and TB in Brazil, to compare adherence to treatment and engagement to care in both non injected drug users and non-drug users.
Role: **Mentor**

3. Inamori Fellowship Alamillo (PI) 01/16-12/16
San Diego State University
This mentored fellowship supports a cross-sectional study that examines the effects of community-level violence on health behaviors and health outcomes among Mexican female sex workers (FSWs) who engage in injection drug use (IDU)
Role: **Mentor**

4. K01 AA024068 Wagman (PI) 08/20/15-07/31/20
NIAAA
Alcohol Epidemiology and Pilot Intervention to Reduce Alcohol, IPV and HIV in Women in Uganda
This Mentored Research Scientist Development Award (K01) will provide Dr. Wagman training and research experiences in the fields of alcohol use epidemiology, advanced statistical methods, and screening and brief interventions (SBI) to reduce harmful alcohol use in the context of HIV prevention.
Role: **Co-Mentor**

5. K01 AA025009 Tsuyuki (PI) 05/17-04/22
NIAAA
SALUD: Syndemic Alcohol Use Disorders, Violence, and HIV/STI in Young Latino Men
This Mentored Research Scientist Development Award (K01) will provide Dr. Tsuyuki training and research experiences in the areas of alcohol and HIV causal epidemiology, integrating stress biomarkers with behavioral science, and structural equation modeling and causal inference using longitudinal data.
Role: **Consulting Mentor**

TEACHING and COURSE DIRECTING

Undergraduate

2005	Social Psychology (Instructor), University of Connecticut
2002	Introductory Psychology Laboratory, University of Connecticut
2000	Healthy Lifestyles (Teaching Assistant), University of Nebraska
1998	General Chemistry II (Teaching Assistant), University of Nebraska

Public Health, Graduate

2016	PH 800, Research Seminar (Instructor) San Diego State University Graduate School of Public Health, 1 credit
2015-present	PH 880, Program Planning and Evaluation in International Settings (Instructor), San Diego State University Graduate School of Public Health, 3 credits
2015-present	PH 800, Professional Development Seminar (Instructor), San Diego State University Graduate School of Public Health, 2 credits

2012-2014 Social and Behavioral Foundations of Public Health (Instructor), University of Connecticut Health Center, 3 credits

Medical School

2013-2014 Community Health Field Research Methods (Instructor and Co-Course Director), Medical Student elective, University of Connecticut Health Center, 4 credits

Medical School, Course Director

2013-2014 Section Leader, Biopsychosocial Section, Human Development and Health, 1st and 2nd year course, University of Connecticut Health Center

2012-2014 Course Committee, Human Development and Health 2nd year course, University of Connecticut Health Center

2012 Co-Section Leader, Biopsychosocial Section, Human Development and Health 2nd year course, University of Connecticut Health Center

Medical School, Lecturer

2014 Lecturer, *Introductory Epidemiology and Statistics*, Infectious Disease Residency Program, University of Connecticut Health Center

2014 Lecturer, *Health Promotion and Adherence*, Human Development and Health 1st year course, University of Connecticut Health Center

2013-2014 Lecturer, *Health Behavior: Theoretical Foundations*. Public Health Lecture Series, Internal Medicine Residency Program, University of Connecticut Health Center

2012-2014 Lecturer, *Biopsychosocial Aspects of HIV/AIDS*, Human Development and Health, 2nd year course, University of Connecticut Health Center

2012, 2014 Conference Leader, *Health Promotion: What Can We Learn from Developing Countries?*, Human Development and Health 2nd year course, University of Connecticut Health Center

Guest Lectures

2016 *Daily Process Research Methods*. Lecture for Joint Doctoral Program in Interdisciplinary Research on Substance Use, San Diego State University

2015 *Navigating NIH Training Awards and an Academic Career*. Lecture for Epidemiology Doctoral Seminar, San Diego State University

2013 *The Association between Alcohol and HIV: Why research methods matter*. Lecture during an NIAAA-sponsored Alcohol-HIV Research Methods Workshop at the 39th Annual meeting of the Kettil Bruun Society, Kampala, Uganda

2007 *Adherence: The Achilles Heel of Antiretroviral Therapy*. Lecture for a postgraduate course in HIV-medicine, Nelson Mandela School of Medicine, University of KwaZulu-Natal, South Africa

STUDENTS SUPERVISED

Public Health Doctoral Dissertations Supervised (Chair)

2017 Katelyn Sileo, SDSU-UCSD Joint Global Health Doctoral Program, Dissertation title: *Substance Use and Engagement in HIV Care among Ugandan Fishermen: A Syndemic Approach*

Public Health Doctoral Dissertations Supervised (Committee Member)
