## PhD Student Research Assistantship

# Are you interested in working on a <u>funded</u> research project in <u>Health Behavior</u>?

We are seeking a PhD student research assistant, beginning in **Fall 2019**, to assist with a study on assessing the efficacy of a culturally adapted cognitive behavioral physical therapy tele-rehabilitation intervention for Hispanics/Latinos with chronic spine pain.

#### **Minimum Qualifications**

- Bachelor's Degree or equivalent training.
- **Highly proficient** bilingual (English and Spanish) **oral and written** communication.

#### Preferred Qualifications

- Skilled with relevant computer applications (Excel, SPSS, EndNote, etc.).
- Prior research experience.

#### <u>Hours and Pay</u>

- 10-20 hrs/wk with a flexible schedule.
- Pay commensurate with experience.

### Job Responsibilities

- Subject recruitment and screening.
- Training and implementation of standardized outcomes assessment.
- Data processing and analysis.
- Attend team meetings.
- Collaborative member of a research team and SDSU HealthLINK Center.

If you are interested in applying for the position, please email Dr. Sara Gombatto: sgombatto@sdsu.edu.
