

HEALTH POLICY IN WASHINGTON D.C.

APPLY FOR THE UC/DC PROGRAM!

In partnership with the UCCS and UC/DC Programs, Public Health Majors are able to apply UC/DC course credit in a Health Policy related internship towards their Public Health Upper Division Elective major requirements. Internships must be approved by the department in advance.

COURSEWORK AND MAJOR CREDIT

- POLI 194 “Using Policy to Address Health Disparities” (Dr. Sara McMenamin) is approved to count as 1 Health Policy & Management Sciences UDE.
- Internships must be Public Health related and petitioned for course credit using the steps on the Public Health website.
- Students must be accepted for the UC/DC program, finalize their internship, and lastly petition for major credit.

Learn more!

UC/DC advisors are available virtually to answer questions and support your application. Use the VAC to send a message to the Academic Internship Program.
