IMPORTANT: Enrollment in FMPH Courses for Winter 2021

Dear Current and Prospective Public Health Majors:

**PLEASE, PLEASE, PLEASE READ THIS ENTIRE EMAIL!!!**

We realize that this is a long email, but it is extremely important. It contains instructions that are critical to registering for Winter 2021 FMPH classes.

As you may know, Winter 2021 registration is just around the corner. Due to high demand for our courses, we have reserved a number of seats in our Winter 2021 classes to help ensure that students graduate on time. This means that if you want to take one or more FMPH courses in Winter 2021, you will need to follow the instructions listed below.

*It is VERY IMPORTANT that you check your VAC and UCSD email regularly. The department will be sending out time-sensitive updates. If you miss these updates, you may end up not getting seats in classes you need.*

**INSTRUCTIONS**

The winter Schedule of Classes posts on **Wednesday, November 11th, 2020** and registration begins on **Monday, November 16th, 2020**. Please check out our Advising Calendar for up-to-date advising availability. We update this calendar daily so it is important to check the calendar often. If you are unable to come in during zoom drop-in advising hours, please send any questions you have through the VAC. Queries received via phone or email will not receive a response.

**NOTE REGARDING USP 143:**

Our department has no control over registration for USP 143. If you plan to graduate in 2021 and have not yet taken USP 143, you MUST register for USP 143 during your first registration. If you have any problems enrolling in first registration, please contact the USP Department ASAP through the VAC. The USP Department does not respond to requests via phone or email.

**NOTE REGARDING ALL FMPH COURSES:**

*If you are interested in enrolling in a FMPH course that is full during your first registration, you should waitlist at the very beginning of second registration.* The campus waitlist will be prioritized and the department will keep an internal waitlist. All remaining seats will be filled using the internal waitlist, so please make sure to waitlist at the very beginning of second registration and wait for our VAC message before switching your schedule. We will message all waitlisted students to let them know if we have seats for them or if we have placed them on our internal waitlist for the course within 2 weeks after second registration has started. **All students who were authorized to enroll in a FMPH course MUST enroll in first registration for priority enrollment.**

**IN-PERSON VERSUS REMOTE FMPH INSTRUCTION:**

All FMPH courses will be remote this winter. Remote courses will list RCLAS indicating the course will be taught remotely. Courses outside of FMPH that offer an in-person option will indicate a campus classroom.
