IMPORTANT: Enrollment in FMPH Courses for Winter 2022

Dear Current and Prospective Public Health Majors:

PLEASE, PLEASE, PLEASE READ THIS ENTIRE EMAIL!!!

We realize that this is a long email, but it is extremely important. It contains instructions that are critical to registering for Winter 2022 FMPH classes.

Second Registration for Winter 2022 begins on November 15th. Due to high demand for our courses, you will need to follow the instructions listed below.

It is VERY IMPORTANT that you check your VAC and UCSD email regularly. The department will be sending out time-sensitive updates. If you miss these updates, you may end up not getting seats in classes you need.

INSTRUCTIONS

Please check out our Advising Calendar for up-to-date advising availability. We update this calendar daily so it is important to check the calendar often. If you are unable to come in during zoom drop-in advising hours, please send any questions you have through the VAC. Queries received via phone or email will not receive a response.

NOTE REGARDING USP 143:

Our department has no control over registration for USP 143. If you plan to graduate in 2022 and have not yet taken USP 143, you MUST register for USP 143 during your first registration. If you have any problems enrolling in first registration, please contact the USP Department ASAP through the VAC. The USP Department does not respond to requests via phone or email.

NOTE REGARDING ALL FMPH COURSES:

If you are interested in enrolling in a FMPH course that is full during your first registration, you should waitlist at the very beginning of second registration. The campus waitlist will be prioritized and the department will keep an internal waitlist. All remaining seats will be filled using the internal waitlist, so please make sure to waitlist at the very beginning of second registration and wait for our VAC message before switching your schedule. We will message all waitlisted students to let them know if we have seats for them or if we have placed them on our internal waitlist for the course within 2 weeks after second registration has started. All students who were authorized to enroll in a FMPH course MUST enroll in first registration for priority enrollment.

IN-PERSON VERSUS REMOTE FMPH INSTRUCTION:

Remote courses will list RCLAS indicating the course will be taught remotely. Courses that offer an in-person option will indicate a campus classroom.

FMPH 191 "Health Economics and Health Policy": (A00) Tuesday/Thursday 2-3:20pm with Dr. Yuyan Shi
The department is excited to offer a small FMPH 191 special topics class this winter with Dr. Shi. FMPH 191 “Health Economics and Health Policy”. Health Economics and Health Policy introduces key concepts in health economics and applies these concepts to better understand and evaluate policy issues in the U.S. healthcare system and health and medical care production and demand. The course is divided into three modules. Module 1 gives an overview of the U.S. healthcare system and introduces core Microeconomic tools as applied in Health Economics. Module 2 examines key players in the U.S. healthcare system, including private and public insurers and various health care providers. Module 3 synthesizes the content of previous modules and studies health policy issues including government intervention, externalities, medical malpractice, comparative healthcare systems, health insurance reform as well as health and development.

PREREQUISITE: FMPH 40 & Department Approval to Enroll (Open to sophomores, juniors, and seniors) – Please submit your preauthorization request via the Preauthorization System for approval to enroll for winter quarter registration. One FMPH UDE is required for all Public Health majors thus FMPH 191 “Health Economics and Health Policy” is a great opportunity to complete your major requirement in a small class setting.

FMPH 191 "Racism as a Public Health Crisis": (B00) Tuesday/Thursday 3:30-4:50pm with Dr. Mara Harrell
The department is excited to offer a small FMPH 191 special topics class this winter with Dr. Harrell. FMPH 191 “Racism as a Public Health Crisis”. The broad topic of this course is the declaration by multiple municipalities around the country formally declaring racism as a public health crisis. The course will address questions such as: What is structural racism? What is public health? Why are there disparities in health outcomes between races? What are the moral questions raised by the effects of racism on health? What are the moral obligations of medical health and public health professionals? The goal of this course is two-fold: to introduce the main issues and to practice argumentative writing about the moral issues raised by these declarations.

PREREQUISITE: FMPH 40 & Department Approval to Enroll (Open to sophomores, juniors, and seniors) – Please submit your preauthorization request via the Preauthorization System for approval to enroll for winter quarter registration. One FMPH UDE is required for all Public Health majors thus FMPH 191 “Racism as a Public Health Crisis” is a great opportunity to complete your major requirement in a small class setting.

FMPH 193 (Public Health Capstone I)
This class is only for students who have completed FMPH 40, FMPH 50, FMPH 101, FMPH 102, and FMPH 110 and are planning on graduating in Spring/Summer 2022. We will have six FMPH 193 sections in Winter 2022 and are asking all eligible students to rank which FMPH 193 class they would prefer to take. Students MUST rank all six sections for preferences to be considered. All students who filled out the FMPH 193 Preference Form with 6 different section ranked options by November 14th will be cleared to enroll in FMPH 193 on/by November 19th. If you still wish to waitlist for your 1st choice section, have WI22 schedule changes that affect the FMPH 193 section you wish to be enrolled in, or forgot to fill out the FMPH 193 Course Day/Time Preferences before the deadline - you can submit a request through the (WAITLIST) WI22 FMPH 193: Public Health Capstone I - Course Day/Time Preferences Form. NOTE: The FMPH 193 day/time and instructor you are placed into will be the same for FMPH 194 in SP22. As a reminder the FMPH 194 final exam for SP22 typically falls on a Saturday. All Capstone students are required to attend their FMPH 194 final exam Poster Session in-person, there are no exceptions.

FINAL ITEMS:
Lastly, we recognize that our advising hours will be limited prior to winter enrollment. However, we will also be available on the VAC to answer questions. Please contact us ASAP with any registration questions you may have to ensure that your questions are answered in time for first registration.

As a reminder our office will be closed Monday, November 22nd through Friday, November 26th. We will leave the VAC for students to ask questions and answer any questions in the order received beginning on Monday, November 29th.

Have general question regarding enrolling in classes at UC San Diego and the 2 Pass Registration System? You can find information and links for enrolling in classes on TritonLink under Enrolling in Classes. We have provided some quick links below for reference as well.
